"Hello Sunshine" says Norman Brooks and also "Hello success and all the good things that come with it." For the young singer, who hit the jackpot with his first Zodiac recording is now on his way to the very top. Singing in a style that's more Jolsonesque than Jolson used to have, the singer has been winning both young audiences, who are entranced by what to them is a new sound, and older audiences who revel in the nostalgia he creates. Zodiac Records, the vehicle for Brooks' success, is owned by Mel Howard and Lee Erwin who are also the writers and publishers of "Hello Sunshine."

KIDDIE STARS

The best way to describe the current interest in child singers is in Jimmy Durante's celebrated phrase, "Everybody wants to get into the act".

Though it would have seemed highly unlikely only a few months ago, today almost every company is making a concerted search for possible kiddie stars.

Of course this is all a result of the success of Jimmy Boyd.

Some companies such as Capitol, who had Molly Bee on its roster, were quickly prepared to meet the newly developed market. And the others wasted no time signing up the available small fry talent. In the past few months, the following kiddie singers have been put on labels: Pamela Reichele at Mercury; Jeannie Dell at Coral; Little Jo at Brunswick; Jerry Glenn and Sunshine Ruby at RCA Victor; Leslie "Uggams" Crane at MGM; and Andrew Wideman at Jubilee.

In this new development, record companies are suddenly finding themselves faced with problems that are completely different than those which they have with adults. In the first place contracts made with minors are closely supervised by the courts which can set conditions which may not apply to adults. For instance the courts have ruled that Columbia may not deduct the cost of a session from Jimmy Boyd's royalties even though this is a procedure which is standard with adult artists.

Besides court supervision, record companies will also be faced with the problem of proper material for children, material which at once is suitable for the age group that is doing it and at the same time can appeal to enough adults to garner a large sale. Formerly when disk firms dealt with child artists, it was mostly for the children's market so that this dual question was not involved.

Mostly though what record companies are going to have to be extremely careful about is the way these children are handled by their personal managers, parents and everyone else who comes into contact with them. Although the record firms do not have any direct responsibility for the conduct of their

artists, no matter what age they may be, these firms are nevertheless investing a great deal of money and time in building their stars and any action which may cause a justified public reaction is a threat to that investment.

The question of the public's relation to artists has always been a ticklish one. And everyone knows of present day stars who have fallen from public favor because of one action or another which the public as a whole considered wrong.

With child stars, this problem will be multiplied several times because there is so much that is considered wrong for children to do which adults can do with immunity.

For instance, there has already been public reaction to an announcement that Jimmy Boyd would play a Las Vegas night club.

Now knowing the entertainment field as we do, and the people involved in it, we are certain that there is no danger to Jimmy Boyd, his morals, or his future health in playing this club. As a matter of fact his future health may be considerably enhanced by the several thousands of dollars which he will have to spend on it after the engagement. But the fact remains that it is not people like us who are in the business who must be convinced of this, but the general public—and it is a very hard job to convince the public that a night club is the proper place for a 14 year old boy.

It is problems such as these—problems which never arise with adults—that the record companies are going to have to face and face wisely if they are to develop child stars.

Undoubtedly there is a large market among grown up audiences for children's records. Jimmy Boyd proved that. But this market can easily be knocked off by a few thoughtless actions.

It is up to the record companies to take a firm hand in the management of the children on their label. And they must do this despite the fact that they have no legal obligation to do so. But they have a moral obligation and what's more a responsibility to themselves and their firms to see that their investments are not jeopardized by unwise public relations.

Attention you record companies. A plea for aid has been received via the mails from Bill Balduzzi, Music Librarian (WTHI-Terre Haute, Indiana). A short circuit completely destroyed the WTHI control room and the pop disks were completely wiped out. Bill says "Our need for record replacements is very urgent. Won't you please help." Balduzzi can use 78's. . . . Mitch Reed (WITH-Baltimore, Md.) wants to go on record with the prediction that Tommy Prisco (King) is the hottest singer to come along on wax since Eddie Fisher." Mitch also goes overboard for Danny Winchell's "Ohio" and Bob Manning's "The Nearness Of You." . . . Happy (Stephen Wesley) Ison, hillbilly entertainer on WORZ-Orlando, Fla. has good reason to be "Happy" these days. He's just been promoted to program director. This after just four short months. . . . Norm Green working like a beaver on his MGM disk "Suspicion." Scarcely a week goes by that Norm hasn't visited with dozens of jocks. Some of the latest were Bill Polk (WABY-Albany), Dick Lucas (WNDR-Syracuse), Denny Sullivan (WFBL-Syracuse) and Carleton Hene (WAGE-Syracuse). . . . Hal Murray (WHKK-Akron, O.) was host to Florian Zabach and Vinni DeCampo when they shot over from Cleveland where they were appearing at the Hotel Hollenden.

BILL RANDLE
(WERE—Cleveland, O.)

Pic of the week—Bill Randle (WERE-Cleveland, O.) is rumored as being one of the top choices in the race for Martin Block's to be vacated post at WNEW. Another name being mentioned is that of Paul Brenner (WAAT-Newark, N. J.). . . . Donn Tibbetts (WFEA-Manchester, N. H.) points out that the annual summer vacation trips of music biz people and stars from New York to New Hampshire is already getting under way. Irving Fields and his Trio will spend the summer at the Grays Inn in Jackson, N. H. Vaughn Monroe's folks live in Pennacook, N. H. and Vaughn himself spends considerable time there. Jane Frohman spent a few weeks in N. H. last year and may return. . . . PFC Sid Kallner, on the way from Ft. Dix to New York this week picked up Bud Brees (WPEN-Philadelphia) then tuned in Jack Lacy (WINS-New York) and got a big kick out of both using The Cash Box lists. Sid, a former Cash Box staffer, stopped into the C. B. offices to get some assistance in lining up a show for the G.I.'s at Dix.

Bill Bohack (WPAT-Newark, N. J.) daddy of a baby boy, Gary Michael. Bill met his wife Phyllis, a registered nurse, when she was attending his mother. . . . Lee Leonard (WLOW-Norfolk, Va.) starts a new feature on his three hour show "The Star of the Week." First star will be Buddy Morrow who will be interviewed via tape. Lee will give complete biographical data and answer all questions about the "starred" artists life. . . . Milt Grant (WOL-Washington, D. C.) doing five hours a day, seven days a week. . . . Lunched with Ray Carroll (WHOM-New York). Ray, who is the Ray half of Willie and Ray, one sincere guy who is in love with the rhythm and blues field and sees it as a business, like any other, that requires thought, study and work. A prediction—Ray will go far in the radio field. . . . Tom Finn (WSPC-Toledo, O.) says he aired Bob Carroll's "A Little Love" twice and received nearly 100 calls and letters. . . . WORZ-Orlando, Fla. goes up to 5000 watts on April 15. . . . Eddie Lambert (WEAT-Lake Worth, Fla.) leaving the business. BONNIE LOU

(King 1213; 45-1213)

B+ "DANCIN' WITH SOMEONE" (2:29) [Valando Music] A pretty waltz tempo ballad that seems to be bound for hitdom gets an ultra lovely vocal treatment from the sweet heart-felt voice of Bonnie Lou. Chirp has a lovely sound and this side is a strong contender for top honors.

B+ "SCRAP OF PAPER" (2:49) [Village Music] Another lovely tune set to that same sentimental waltz beat is caressed by Bonnie in her velvety manner. The tune and lyrics blend perfectly. A fine coupling for all boxes.

LEW DOUGLAS ORCH.

(MGM 11472; K-11472)

B+ "RUBY" (3:02) [Miller Music] The tune from the "Ruby Gentry" flick that looks like a smash to be in the wax circles is lushly presented by Lew Douglas' ork. The lyrics are softly eased through by the Halloran Choir in a smooth "Laura" manner.

C+ "MY FLAMING HEART" (2:58) [Robbins Music] Lucille Reed takes a solo run on another movie tune, this one from "Small Town Girl." The ballad is sort of heavy but tenderly offered by the potent pipes of the thrush. Lew Douglas sets the lovely mood.

HELEN O'CONNELL & GISELE MacKENZIE

(Capitol 2404; F-2404)

B "LIPSTICK - A - POWDER - 'N' PAINT" (1:55) [Christopher Music] Helen and Gisele give a sock-eroo belting to a corny novelty with a trombone assist and a rag time sound. Their impersonation of hillbillies comes over well on this happy item.

B "GET IT WHILE YOU'RE YOUNG" (2:20) [Tacit Music] The sweet voiced thrushes put on that amusing country twang and do some more of the same corny material. Dave Cavanaugh backs with fine rhythm. Two pleasing cornball number. Should get spins.

ALAN DALE

(Coral 60960; 9-60960)

C+ "ALEXANDER'S RAG TIME BAND" (2:59) [Irving Berlin Music] One of the greatest of all the standards is given a duet styling by Alan Dale and Judy Lynn. They sound good together on this happy bouncer that's light and lively.

B "I WISH I HAD NEVER LEARNED" (2:31) [Chappell & Co.] Al does a vocal solo on this end with a lush backing by Ray Bloch's ork on an attractive love song presented with a romantic mood.

SAMMY KAYE ORCH.

(Columbia 39977; 4-39977)

B+ "SWEET SUE - JUST YOU" (2:10) [Shapiro Bernstein Co.] For the first time in a long while Sammy Kaye forgets about swaying and swings into a terrific jump version of an oldie with fine vocal setting by the Kaye Choir. Really great.

B "I COULDN'T KEEP FROM CRYING" (2:40) [Acuff Rose Pub.] The Kaydets do some smooth piping on a soft ballad with a country flavor wonderfully showcased by a steel guitar and a tender orking by Sammy. Lead vocalist does well on offering.

[Midway Music]

"ALMOST ALWAYS" (2:44)

[Brandom Music]

JONI JAMES

(MGM 11470; K-11470)

JONI JAMES

● Joni James, who many thought was a one record flash, has firmly established herself as one of the top artists in the wax world with her now accepted style and individual sound. After three successive top selling hits, the thrush sends up another stardusted ballad dubbed "Is It Any Wonder," that could be her biggest to date. Her velvety voice does wonders with this super lovely ballad and Lew Douglas backs Joni so all of her warmth stands out. Flip is a Latin item "Almost Always." Ops oughta get with this disk immediately.

"WHEN THE RED, RED, ROBIN COMES BOB, BOB, BOBBIN' ALONG" (2:00) [Bourne Music]

"BEAUTIFUL MUSIC TO LOVE BY" (3:05) [E. H. Morris]

DORIS DAY

(Columbia 39970; 4-39970)

DORIS DAY

● The ever popular and versatile Doris Day gives new life to a great old novelty as she belts out, in her peppy manner, "When The Red, Red, Robin Comes Bob, Bob, Bobbin' Along." Her happy freshened vocal is loaded with sock and one listen makes you want to bounce. This two minute side is a natural for the boxes. Paul Weston backs Dossie again on a piece with an entirely different mood. "Beautiful Music To Love By" is a soft tender waltz warmly eased through. We take to both and look for "Robin" to break first.

"THERE'S NO ESCAPE" (2:58)

[Robert Mellin Music]

"MANY ARE THE TIMES" (2:24)

[Weiss & Barry Music]

DON CORNELL

(Coral 60968; 9-60968)

DON CORNELL

● Don Cornell gets hold of some top drawer material and presents it in his grade "A" manner to come up with a hit contending record. A strong introduction leads Don into a powerful ballad labelled "There's No Escape" which he belts with spirit and meaning. It's a juicy acquisition for his wax fans and a side that oughta get loads of spins in the boxes. The under portion "Many Are The Times," is a pretty lid with a waltz tempo that adds to the lovely melody. Norman Leyden and his boys assist Don in perfect form. Keep an eye on the top half. It sounds terrific.

"IN THE MIDDLE OF A KISS" (3:11) [Famous Music]

"CAN'T YOU SEE" (3:13)

[Challenge Music]

BETTE McLaurin

(Coral 60961; 9-60961)

BETTE McLaurin

● Bette McLaurin has had local hits in "I May Hate Myself In The Morning" and "My Heart Belongs To Only You." But now she has a new one tagged "In The Middle Of A Kiss" that has all the ingredients needed for a national smash. Her wonderful sound and polished manner of performance send her off with flying colors on this lovely ballad. "Can't You See" is another terrific love song belted by her sparkling voice. We look for "Middle Of A Kiss" to cause a rage.

MORTON GOULD & ROCHESTER "POPS" ORCH.

(Entre 102; 4-102)

B "MUSIC BOX TANGO" (2:40) [Broude Bros.] The imaginative mind of Morton Gould goes to work on a super arrangement of a vigorous tango full of lush strings and belts it out in a sultry manner. A stellar rendition.

B "WEDDING DANCE" (2:50) [Weintraub Music] It's good to hear the exciting Gould ideas again as he picks up the tempo to a gay and lively freilac. It's real lush and moves along at a terrific pace.

CAMARATA

(Decca 28623; 9-28623)

B+ "RENDEZVOU" (2:50) [Meridian Music] Another fine sounding instrumental by Bernie Wayne, author of "Vanessa," gets a top notch going over by the strings of Camarata's ork. The fast moving tune is exciting and slows up for a part like "Slaughter on Tenth Ave." Real good.

B+ "FIDDLESTICKS" (2:46) [Garlock-Scherer Music] The fine conductor does another terrific job on a lively and tricky melody that oughta get spins for the record.

DAMITA JO

(RCA Victor 20-5253; 47-5253)

B "THE WIDOW WALK" (2:42) [Raleigh Music] The fine voice of Damita Jo is doubled as she opens a pretty number with a fine sound. She singles out and joins up with the Rockets on a slow waltz with a folk song flavoring. Sweet delivery.

C+ "MISSING" (2:50) [Fredbee Music] Damita takes off on a pleasing tune with an odd repetitive beat in the backdrop. Her voice is terrific. Number bounces.

GARY MARKS & THREE FLAMES

(Jubilee 5101; 45-5101)

C+ "BE ON THE SQUARE" (2:30) [Arc Music] Fitting rhythm accompaniment backs Gary Marks as he voices a good sentimental ballad. He has a good voice and puts expression into the reading. Three Flames set up fine

B "I LOVE THE WORK I'M DOING" (2:20) [Arc Music] The boys work on an up tempo piece with a good set of words and a happy jump tune. Gary has a terrific voice and solid rhythm. The Flames add some fine harmony on a very cute number. Could catch.

ANN HATHAWAY

(Avalon 7210)

B "IT GOES LIKE THIS" (2:34)

[Leo Feist Inc.] A cute handclapping novelty is pertly lilted by Ann Hathaway in a bouncing light hearted way that could have everyone singing it in no time. Luther Henderson sets up a most appropriate orking. Catchy melody.

C "SUPPER TIME" (3:10) [Irving Berlin Music] From Berlin's musical "As Thousands Cheer" comes this ballad that Ann delivers in a meaningful fashion. Backing by Henderson is fitting. Number is sad and dreary.

SARAH VAUGHAN

(Columbia 39963; 4-39963)

B "SPRING WILL BE A LITTLE LATE THIS YEAR" (2:40) [Frank Music] A fine oldie with a most lovely melody is given a super treatment by the stellar voice of Sarah Vaughan with a pretty Percy Faith backing. Thrush has a terrific style.

B "A BLUES SERENADE" (2:35) [Mills Music] The wide ranged vocalist shows her talents again on this lovely song that was a hit of the past. The backing is again fitting and helps the voice stand out.

LILY ANN CAROL

(RCA Victor 20-5256; 47-5256)

C+ "I'D LOVE TO FALL ASLEEP" (2:32) [Southern Music] Lily Ann Carol's soft voice eases through tender ballad with a fine Sy Oliver backdrop. She has perfect control over her voice and sings with a tear.

C+ "ROLLIN' ROLLIN' STONE" (2:40) [Sunbeam Music] Lily Ann follows the instruments with her voice and goes into a cute jumper that's pleasant on the ear. A group backs her nicely with choral support.

AMES BROTHERS

(Coral 60967; 9-60967)

C+ "CANDY BAR BOOGIE" (2:39) [Mayfair Music] The Ames Brothers harmonize on a "Rag Mop" type of number that jumps along at a good pace for dancing. Their harmony is sock.

B+ "AT THE END OF THE RAIN-BOW" (2:39) [Malden Music] A moderate tempo is the perfect beat for the Ames' waxing of a lovely ballad with pretty lyrics and a sincere warm melody. They do a perfect job of soothing out this lovely arrangement.

RALPH FLANAGAN

(RCA Victor 20-5237; 47-5237)

B "ALBUQUERQUE" (2:56) [Coachella Music] The sound of a train introduces a cute jump item that's belted out by the Flanagan ork with a vocal solo by Ralph and his Singing Winds. The idea is cute and well presented.

B "MOON" (3:02) [American Academy of Music] Harry Prime and the Winds do the vocal chores on a soft ballad with Ralph and the boys enhancing the side with a Glenn Miller like backdrop. The results are inviting.

BILLY TIGANI & JAGGI BROTHERS

(Citation 1108)

C "VOODOO" (2:22) [Halsey Music] The voice of Billy Tagani teams up with the twin accordions of the Jaggi Brothers to beat through an eerie number with a steady tempo. Billy's voice is good.

C "PLEASE WRITE SOON MY SON" (2:45) [Halsey Music] Bill sings a ballad on this half and puts feeling into it. The accordions don't seem to fit the number and in spots they drown out the lyrics.

THE CASE BOX SLEEPER OF THE WEEK

"THE MOULIN ROUGE THEME" (2:59)

[Broadcast Music Inc.]

"VOLA COLOMBA" (3:03)

[Peter Maurice]

MANTOVANI AND HIS ORCHESTRA

(London 1328; 45-1328)

● Mantovani, who was one of the most important factors in the public's trend toward the acceptance of lush higher level instrumentals with his outstanding version of "Charmaine," comes up with an equally superb orking of the most lovely "Moulin Rouge Theme." The amazing sound he gets from the strings is something beyond description. It rings with beauty. It's the type of rendition that one could listen to over and over again without getting tired. "Vola Colomba" is the lower lid with a soft lush romantic mood approach. The top portion takes all the chips.

"BIG MAMOU" (2:09)

[Peer International]

"SHOULD YOU CHANGE YOUR MIND" (2:34)

[B. F. Wood Music]

PETE HANLEY

(Okeh 6956; 9-6956)

● A lively Cajun number with an exciting samba tempo and a rhythmic vocal by Pete Hanley is what shapes up as a fine piece of wax for the boxes. Backed by a juicy Leyden Brothers orking, Pete leans into this number with everything he's got. The fullness of the chorus in the backdrop adds to the color of "Big Mamou." On the lower end Pete slows up and serves up a lilting ballad in his rhythmic vocal manner. Norman Leyden leads the backdrop in a slow jump tempo that comes off fine. "Mamou" is a potent deck that all ops should give a listen to.

MACE BARRETT

(Coral 60962; 9-60962)

B "I DON'T HAVE TO CLOSE MY EYES" (2:13) [Shawnee Press] A new voice makes a fine showing on a potent ballad. Mace Barrett does the tailor made vocaling and is set off to full advantage by a fine orking of Hugo Peretti's crew.

B "IT'S THE STRANGEST FEELING" (2:27) [Shawnee Press] The young artist does another bit of romantic warbling that results in warm listening material. He puts his heart into the song and gives it meaning.

THE FOUR KNIGHTS

(Capitol 2403; F-2403)

B "ANNIVERSARY SONG" (2:24) [Moods Music] The Four Knights jump up the hit song from the "Jolson Story" movie and treat it in their unique manner. Oscar Broadway carries the lead with his low voice and sends out a potent unusual styling of a good number.

C "A FEW KIND WORDS" (2:38) [Fairway Music] The boys blend their warm voices once again to come up with another pretty piece that highlights the voice of Gene Alford. Wonderful harmony.

JO ANN TOLLEY

(MGM 11471; K-11471)

B "YOU CAN LIVE WITH A BROKEN HEART" (2:38) [Dubonnet Music] A group creates an introduction for Jo Ann Tolley's lovely voice as she sends up a sentimental number in a hushed mood.

B "I'D NEVER FORGET YOU" (2:46) [Slade Enterprises] The thrush does another quality rendition of a warm love song in her heart felt manner. The tune, arrangement and presentation are good.

DON CHERRY

(Decca 28635; 9-28635)

C+ "ALL BY MYSELF" (2:15) [Irving Berlin Music] Backed by the pleasing sound of Grady Martin and his Slew Foot Five, Don Cherry vocals an appealing lilter with a pretty melody.

C "IF THEY SHOULD ASK ME" (2:36) [Ridgeway Music] The artist eases through a tasteful ballad with a light backing by the Slew Foot Five that doesn't seem to fit the mood of the song.

MR. COON, MARTIN & BROWN

(Republic 7024; 45-7024)

B "MY BLUE HEAVEN" (2:14) [Fiest] A sparkling oldie gets a handclapping bounce treatment by the beating bones of Mr. Goon and the inviting harmonicas of Martin & Brown. The sock rhythm makes your feet tap.

C+ "YOU WERE MEANT FOR ME" (2:13) [Robbins Music] The rhythmic aggregation runs through some more of the same type of material on another standard. The boys work well together.

JOHNIE BOMBA ORCH.

(Dana 3110; 45-3110)

C+ "ANNIVERSARY POLKA" (2:29) [W. H. Sajewski] Johnie Bomba leads his crew of musicians through a lively and potent polka item that really rocks. The piece is perfect for dancing.

C+ "I LOVE MY WIFE" (2:27) [W. H. Sajewski] The boys glide over a slower polka and dish it out in a form that makes it a natural for the boxes on the right locations.

JUNE HUTTON &

AXEL STRODAHL ORCH.

(Capitol 2429; F-2429)

C+ "THE SONG FROM MOULIN ROUGE" (2:39) [Broadcast Music, Inc.] Set to a slow waltz tempo, a pretty tune that's causing a bit of a stir in the wax field, is smoothly covered by the warm voice of June Hutton and the fine ork of Axel Stordahl. A good teaming of two talents.

B "SAY YOU'RE MINE AGAIN" (2:30) [Blue River Music] The Boys Next Door join the thrush on a lilter with a lovely melody that results in a classy rendition. The setting and delivery are convincing.

ROUND THE WAX CIRCLE

NEW YORK:

There'll be big doings at Ben Maksik's in Brooklyn when Tony Bennett returns to the scene of his original triumph on April 23. . . . Mac Weiss after five years in the publishing business comes up with a likely juke box hit in RCA Victor's "Put That Sawdust Back On The Floor" by Allan Small's orchestra. . . . One of the five people killed by a marine in Queens last week was Bill Braverman, son of Sam Braverman, record buyer of the Neissner Bros. chain of stores. Sam Braverman was formerly connected with Irving Berlin. . . . Tenor Bob Whalen sounds like a winner on his first release for Victor. . . . Dewey Bergman suffered a slight heart attack last week. . . . Lee Erwin and Mel Howard, writers and publishers of "Hello Sunshine" got their first Capitol record after six years of trying, Gloria Wood's version of the song. . . . Joe Costa playing the Boulevard for two weeks. . . . Billy Eckstine's old recording of "Caravan" being revived on the strength of Ralph Marterie's disk. . . . Reg Connelly, the well known London publisher, left for London this week after 2 months in the U. S. where he successfully completed several deals including an interchange of tune promotions between Hill and Range, Inc., and the Howie Richmond firms. . . . Rainbow has signed Joe Lagana and Duke Anderson's All-Stars. . . . Toni Arden preparing for her concert tour of Israel. . . . "Seven Lonely Days" hit the rack this week. . . . Joe Car'lon, returned from a vacation in the Virgin Islands, found himself with a hit in Richard Hayman's "Ruby." . . . Lisa Kirk at the Plaza's Persian Room. . . . Harry Meyerson heads for Chicago April 7 and 8 to record Joni James before she opens at the Latin Casino in Philadelphia, April 9. . . . A & R men Milt Gabler and Mitch Miller both on the coast.

TONY BENNETT

CHICAGO:

"Master" is a new all-Chi label. Part of Marvin Enterprises. (Reported backed by Marvin Kreenberg of hosiery clan.) Directed by Tony LoFrano and Vince Micko. First disk: "Love Me Love Me" (published by Brandom Music). Original melody "La Espagnola." New (and very grand) lyrics by Bill Walker. Sung beautifully by Al Saber. All three names mentioned part of David LeWinter's famed Pump Room ork. Naturally, David LeWinter's ork backgrounding Al Saber's singing. Flip side is oldie: "What Is There To Say." Al Saber does just as beautiful a job on this side, too. . . . Popular pair: Marty and Reba Hogan. Living it up at the Pump Room. Tried to get Marty to make even exchange for that sensational Nash sports car. But, no go. Understand the little baby sells for over 6 grand. . . . Like Howard Miller's 'hour of charm-ing' oldies over WCFL Satty nites. . . . Thanx to Johnny Desmond for intro'ing us to a very terrific tailor—Martin. . . . Lotsa top names at opening of Beau Nash room: Arthur Godfrey, J. C. Swazey, Louis Sobol, Ray Moloney, Mayor of Bath, England, many, many others. . . . Happy surprise to guys who useta stop at New York's Chatham. Bill Dering now resident mgr of Ambassador Hotels. . . . Irv (Kup) Kupcinet looks terrif' in a tux. (Whyn't you wear it more often, Irv?) . . . By the way, David LeWinter's boxer, 'Geronimo,' took 2nd at Int'l Dog Show here. . . . Instedda talkin' disks, Jimmy Martin talkin' cigarette machines these days. . . . They're his first love. . . . Rosemary (y'know who) opened with her own troupe at Chi Thitter. . . . Gorgeous Lena (Horne, that is) at the Chez. A clickeroo. Last time we saw her was at the Fairmount, San Francisco. She was but packin' 'em in. . . . Lovely Lola Ameche at the Black Orchid with Brooklyn's Haitian, Josephine Premice. . . . Dick Frisbie of Daily News (3/28) gives RCA-Victor's "Listen to Henri Rene" album but terrif' sendoff. . . . Chris Connors is the chirp with Stan Kenton's crew at the Blue Note. . . . Jilla Webb phones she's all excited about her latest release. Gal is just gone on gettin' one 'way over the top. . . . Hollywood contingent on way to nite spots Gordon MacRae, Debbie Reynolds, Janie Powell, others.

JOHNNY DESMOND

LOS ANGELES:

The Harry James opening at the Palladium here last week brought out the biggest representation of trade personalities seen round these parts in a long time. New chirp with the band, Genie Stone, has caught on too and seems headed for a bright future for sure. . . . Capitol Records skedding

TERESA BREWER

April as Stan Kenton Month in tribute to the maestro's resourcefulness in promoting new ideas in music these many years. We remember a night at the Hotel Commodore, New York, some years ago when the "wise" crowd said Stan couldn't last. . . . and we're happy too, that he has. . . . Spade Cooley's ork continues to draw heavy crowds over at the Santa Monica Ballroom. . . . We'd wager there's more jazz groups playing throughout this area than almost anywhere else; for example there's Kid Ory at the Beverly Cavern; the Lighthouse All-Stars out at Hermosa Beach; Wingy Manone at the Embers; the Gerry Mulligan Quartet at The Haig; Muggsy Spanier at the Royal Room. . . . Nice to meet up with Dick Rising, a rising lad at Capitol's sales promotion department. . . . The golden touch of Frankie Carle holding forth over at the Hotel Statler's Terrace Room. Surprise of the show is George Gobel, a lad with a ton of talent. . . . We know an army of guys who are in love with that exquisite Cash Box photo of pert Teresa Brewer wherein she looks like the personification of the "gal to come home to." And her Coral etching of "Dancin' With Someone" is starting to go like sixty. . . . Gordon Wolf's-Sunland distrib firm a beehive of activity these days, with the Norman Brooks Zodiac etching of "Hello Sunshine" taking hold. Brooks has a sock future in store. . . . And over at Harry Bloom's Mercury distributing org, they're still handing out "Doggie In The Window" as fast as they come in. Patti hasn't missed on her last half dozen disks. . . . Jimmy Boyd booked into the Sands. . . . Understand the majors no longer consider Southern California as an 8 per cent sales territory. . . . How come the distribbs and dj's can't get together and organize a platter party for kids ala Ohio? . . . Credit Bob Stern for much of the local success of "Big Mamou" on Okeh platters. Disk is really catching on with dj's and ops.

Vaughn Monroe Hangs Up Baton

VAUGHN MONROE

NEW YORK — Vaughn Monroe, one of America's top bandleaders for over a decade, announced this week he is retiring from the band business to become a single performer. His final band date will be on May 2 at Fordham University in New York.

In this new phase of his career he will devote his time to night clubs, theatres, radio, television, records and motion pictures. His first engagement as a "single act" will be at the Sahara Hotel in Las Vegas on June 30. Also, his booking office, Willard Alexander, Inc., is negotiating with Bill Miller for a New York engagement at The Riviera in August.

The Monroe band was organized in 1940 and became one of the most successful musical organizations in the history of show business. In addition to being long prominent on radio, it was also one of the most widely traveled bands, averaging over 200 dance and concert one-nighters a year throughout the country. Its theme song, "Racing With The Moon," became a popular favorite.

Among the RCA Victor recordings by baritone Monroe and his band in the past 13 years have been such outstanding hits as "Ballerina," "Riders In The Sky" and "There I've Said It Again."

Following his final band date, Monroe will go to Hollywood to start work on his third film for Republic Pictures, a musical titled "The Professor And The Co-ed." A television show, emanating from New York, is being readied for airing in the Fall. He will continue to broadcast his weekly Camel Caravan radio program and will also continue recording for RCA Victor.

Toledo Visit

TOLEDO, OHIO — Tom Finn of WSPD in Toledo hosts Karen Chandler during her recent visit to the city. Tom has three shows: Midnight Express, Express Top Ten, and Top Ten Extra. His own preference is for the modern trend of music but he has a good feeling for pops to please his audience.

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.

• The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

New Company

NEW YORK—Dorothy Collins, Raymond Scott and Leonard Wolf get together to hear the music for the first release they will put out on the new Audivox label. Dorothy, who recently obtained her release from Decca, will be the singing star.

Jim Lennon Promoted At RCA Victor; His Policies Helped Build Op Dept.

NEW YORK — Jim Lennon, who has been heading the coin operator sales department of RCA Victor has been promoted to the regional operation department and will henceforth work out of Camden. His successor is Irwin Tarr, who had been in the advertising department of Victor and prior to that was with Decca.

Lennon's stay in the operator sales department saw the development of basic policies which will be carried on by Tarr.

Those policies were based on the following thinking by Lennon:

The most important thing for an operator is to avoid, as far as possible, buying "dogs." If in the course of a month an operator covers his boxes with two selections that make

absolutely no money, it increases the record cost of the operator by about 15%. By avoiding such unnecessary expense in record cost, an operator can run a more profitable route and place boxes in more locations which naturally increases the overall potential for selling records to coin operators.

Therefore Lennon has used many means to inform operators as rapidly as possible of the new records that could be depended upon to be money-makers. And his percentage has been very good. Of the records he has recommended, about 85% to 90% have resulted in hits or near-hits and all of the records have become popular enough to make some money for the operators.

Also Lennon has refused to promote with the operators any records where any doubt was entertained as to their money-making ability, even in some cases where there was a big over-all promotion on the record. He has tried to build up confidence on the part of the operators in his recommendations to them. He didn't advise them that every record was terrific, because obviously every record was not, and if he were to make that kind of statement indiscriminately, he believed operators would never rely on any of his recommendations.

He believes finally that the percentage of success in the records he has recommended to operators has strengthened their confidence in RCA Victor so that operators will be prepared to accept the fact when the company stands behind a record and recommends it as a money-maker.

CANADIAN CAPERS

Toronto Topics:

Canadian network comics, Wayne (Johnny) and Shuster (Frank) now touring Japan and Korea. Accompanied by CBC producer and songwriter, Jackie Rae, who will produce their service shows, and Herb May who will announce them, they will tape their regular weekly network "Wayne & Shuster Shows" which will be flown back to Canada until their return to the Toronto studios early in May. Singer Terry Dale and dancer Zena Cheevers, who can compete with any pin-up gals, will supply the feminine glamour. . . . Mervin Shiner (Decca) with his Trio doing big business on his quick repeat Toronto engagement. This time he is headlining at the Silver Rail and getting a lot of 1953 Easter plays on his "Peter Cottontail" platter from the local dee jays. . . . Allan Dean's (MGM Records) appearance last week at the Colonial was a money-maker for that jazz haven, and is followed this week by Mel Torme (Capitol). Allan's dishing of the standard "High On A Windy Hill" benefiting from the Britisher's Canuck visit. . . . Dixie Bill Hilton and his Ca'gary Range Riders now airing coast to coast Saturday nights on the CBC's Dominion Network from CFOR, Orillia. The Range Riders have just cut their first session for Decca's Canadian label, after two years on Aragon Records. . . . Abbie Andrews (Biltmor Records) bringing his show into the Masaryk Auditorium on the heels of his click dishing "Lord Alexander's Reel." Advance sale indicates that the show will top record-breaking figures that the Andrews' troupe established for the Masaryk in February. . . . Smiling Eddie Mehler leaving these parts to tour with Mel Lavigne and the Blue Water Boys, opening March 28th with CHML's "Main Street Jamboree" in Woodstock. Local music fans here and in his home territory, Regina, already ordering Eddie Mehler's first Apex cutting "Broken-Hearted And So Blue." Disc will not be released until mid-April, but demand has been started by his radio shots on his own tune. . . . Denny Vaughn (Jubilee Records) going great on his cigarette-sponsored network radio show. This local boy is doing fine back in the home territory. Flew to Florida for a two-day engagement there last week.

Montreal Memos:

London's Records' Josh White doing big business at Ruby Foo's on the Strip. . . . Curly Hachey and his Brothers, along with Mary Lou, held over once again at the Diana. This town's premier rustic bistro will close for remodeling and enlargement later this month and reopen in May with a plush country decor. . . . Jack Newman, Manager of the Canadian Peer-Southern publishing firm on a quick road trip pushing Nat "King" Cole's Capitol record of "Can't I?" and Karen Chandler's Coral platter of "I'd Love To Fall Asleep." . . . Phil Rose, Sales Manager of Canadian Coral, week-ended in Plattsburg, N. Y., with Clyde Moon of BMI Canada. Seems that the Plattsburg station must be getting strong Canadian listening. . . . A new Canadian indie disc firm, Rodeo Records, getting underway. This new Montreal firm has signed Earl Mitton and his group (Radio Station CKCW, Moncton, N. B.) for their first release list. . . . George Faith had his contract picked up and was given a new one at an increase at the Top Hat. Georgie's Apex record of "Hard To Please" and "The Letter" beginning to catch on in the Maritime Provinces. . . . Radio folks still talking about the great backing job that Allan McIver and his orchestra gave the hefty list of acts that was the floor show at the recent broadcasters' association annual banquet at the Mount Royal Hotel. . . . RCA Victor's Recording Manager, Hugh Joseph, seems to have picked another winner for his company in Fernand Thibault. Hugh has been responsible for launching several recording stars who have broken into the international field, such as Hank Snow, Wilf Carter (Montana Slim in the U. S. A.), Lone Pine and Betty Cody and Dick Todd. . . . George Taylor predicting that Thibault will come through internationally for Victor. . . . Jim Magill's Northern Ramblers now released in England on an LP by U.K. Decca label. Canadian group cut their original square dances for London Records, whose Manager, Fraser Jamieson, fed the masters to their parent in England to satisfy English demand for Canadian square dance material, which followed the recent Royal Tour of Canada.

Atlantic Coast:

Mengie Shulman of Radio Station VOCM, Saint John's Newfoundland, reports that the Hi'llibilly Jewels' Biltmor record of "I Love My Rooster" land a top request as is Doc Williams' and the Border Riders' platter of "Roses Are Blooming," the latter on the Quality label. Doc and Chickie Williams, via WWVA, Wheeling, West Virginia, and their annual Maritime tours, have become top favorites all through the Maritime Provinces. . . . Songwriter Raleigh Keith of Sussex, New Brunswick, seems to have another tune breaking for a hit. This time it's his song "If I Ever Get Rich, Mom," thanks to Hawkshaw Hawkins recording on the Quality and King labels. . . . Wonder why some wide awake A & R man doesn't latch on to the Armadale Choir which has been a network favorite lo these many years? . . . Halifax fans report that ex-Haligonian Hank Snow and a cast from Nashville's "Grand Ole Opry" will be playing dates in Upper Canada the last of this month.

West Coast Round-Up:

Stu Davis folk topper at CKXL, Calgary, has a sleeper in his Aragon platter of his own tune "In Daddy's Footsteps." Song has been building and is now expected to break in the U. S. . . . Freddie Lang, folk fiddle champ, joining forthcoming Wilf Carter (Victor Records) tour in Central Canada. Intends to remain on the West coast when the jaunt ends to again record for Vancouver's Aragon Records. . . . Jimmy Morris of CKNW, New Westminster, B.C., recently cut "Sgt. Dobbin" for Toronto's Gavotte label. . . . Vic Siebert starts a 26-week series of coast-to-coast Saturday night shows for the CBC on May 2nd.

Goodman-Armstrong Tour Debuts In New Haven On April 12

NEW YORK—The Benny Goodman-Louis Armstrong tour debuts in New Haven, Connecticut on April 12. It will play New York's Carnegie Hall on April 17 and then works its way out to the west coast.

Goodman's participation in the tour, inspired by the success of his recent albums, has reunited for the first time in many years his celebrated swing aggregation of the mid-thirties. Such jazz stalwarts as pianist Teddy Wilson, drummer Gene Krupa, trumpeter Ziggy Elman and saxist Georgie Auld will join Benny and one time Goodman band vocalist Helen Ward in a forty city jaunt.

Louis Jordan, the jazz trumpeter par excellence, will be joined by James (Trummy) Young, Cozy Cole, Avrell Shaw, Barney Bigard and Joe Bushkin.

Gleason Disks Issued Singly

HOLLYWOOD, CALIF. — Capitol Records Inc., this past week announced the release in singles of the increasingly popular Jackie Gleason album "Music For Lovers Only." Primary cause for this release is the demand on the part of music operators for these records. Cognizant of the constantly growing music op trade Capitol made the album available on both 45 and 78 rpm.

Request Names New Distributions

NEW YORK — Request Records has just signed an agreement giving Gimbel Brothers, Inc. Baltimore distribution for the District of Columbia, Maryland, Virginia and part of Delaware. At the same time contracts were exchanged with Gordon V. Thompson in Toronto covering distribution and pressing agreements for Canada.

Request has been forced to postpone their new release of two more instrumentals "Tyrolian Tango" and "Caramba La Samba" for about two weeks, since the sales of "Typewriter Concerto," "Gypsy Blues," "Washington Waltz" and "The Bumble Bee At Carnegie" have been building steadily.

MUSIC OPS FEATURE MORE FOREIGN DISKS

Greater Selectivity of New Phonos Makes Possible Increased Use of Foreign Disks. Biggest Problem Is Still Obtaining 45's, Ops Claim

CHICAGO—Ever since the series of articles which appeared in *The Cash Box*, suggesting that juke box operators program foreign disks because of the greater number of selections they were enjoying on the new phonos, reports have continued to arrive acclaiming this publication for its suggestion re: foreign recordings.

Complaints are still arriving regarding the fact that 45's in foreign disks are difficult to obtain.

This, ops claim, is holding them back from increasing the number of foreign disks they would use.

In the city of Chicago there has been a sudden surge to Croatian as well as to Serbian tunes. "These are absolutely unobtainable on 45 rpm," juke box ops claim.

At the same time, they report, it is practically impossible to use anything but the new phonos for correctly programming foreign disks because, in the new juke boxes, they have the title space whereas, in the older machines, they just haven't the room to make a feature of the foreign disks.

The older phonos would be able to feature the 78's, but, ops report, they would then be faced with loss of space for their regular pop and standard disks.

"Frankly," as one operator here stated, "I'm using Swedish, German and also Latin American and Polish records. But," he claims, "I have my hands full trying to get 45's."

As the trade knows the late model automatic phonos of the various manufacturers today range anywhere from 80 to 120 selections. AMI features 80 selections; Seeburg features 100 selections; Evans features 100 selections; Wurlitzer features 104 selections; Rock-Ola features 120 selections.

Correctly programming anywhere from 40 to 60 records, playing both sides for 80 to 120 selections, is quite a problem, operators claim.

"Therefore," as one operator here said, "when *The Cash Box* suggested foreign records we investigated and we found that many of our locations would appreciate these.

"The fact remains," he continues, "that we have jumped collections on the locations where we placed foreign recordings.

"But now," he concludes, "they are asking for various tunes and when we go to get them we find that they are practically unobtainable on 45 rpm."

Most outstanding factor in the foreign disk field is that the locations want "authentic" foreign recordings. They don't want the "pop" style disks made by modern foreign artists. This, too, creates somewhat of a problem, as have even record distributors here advised.

Readers of the foreign press know about these new foreign recordings from their home lands. They, in turn, ask the location owners to have them placed in the juke boxes. The operators try their best to follow through on these requests and, many times, simply run into a stone wall.

Furthermore, some ops report, they are, many times, sold foreign disks by distributors with the statement, "These are authentic."

When they bring these to the location they are not only refused, but the operators (who, in most cases, do not know the language) are laughed at and told that the disks are "not at all authentic."

The problems are many, music ops claim, but because they have found that their greater selective modern phonos have room to program the foreign disks and that, furthermore, the foreign disks are bringing in good returns, they are continuing doggedly ahead in the hopes that the record manufacturers will soon solve the problems.

In all fairness to the diskeries, they are working hard to get these problems solved. Some are already setting up specialists in the field to work closely with the juke box ops so that the operators will have a better understanding of the disks as well as what "authentic" really means.

The hopes are that, very soon, the problem will resolve itself down to just catalogs and that the juke box ops will be able to get all the 45's they request in the foreign disk field.

THE CASH BOX RHYTHM N' BLUES Ramblings

NEW YORK:

Seems the most talked about subject in r & b these days is the answer to the "hit." Who will be first and what will be next? Have touched upon this so much in this column that we hesitate to delve any further, but the "answer" movement has gathered momentum and now publishers of the originals have become so concerned that several law suits are in the works. . . . Atlantic Records releases five new disks this week and distributor reaction to Eunice Davis' "Go To Work Pretty Daddy" and "Let's Meet On 125th Street" indicate another hit. Eunice is a new gal on the Atlantic label. . . . Johnny Hodges passes up several offers to take his aggregation to Europe. The tooter has had offers from three separate interests, each wanting him for a different part of the continent. His disks have made him a big name with European jazz fans. Hodges feels that his big job is to firmly establish his crew at home. With solid bookings that will take him around the nation a couple of times before next year, Johnny says his goal will be accomplished by that time, and then maybe off to the continent. . . . Ink Spot hassle still sizzling. Attempt by Gale to obtain a temporary injunction against Charles Fuqua's group was denied and both groups (Kenny and Fuqua) will be billed "Ink Spots" until the matter is determined by law sometime in June. . . . Lee Magid cut The Emmett Slay Trio last week for Herman Lubinsky's Savoy label. The tune "I've Learned My Lesson" is the answer to the trio's current hit "My Kind Of Woman." Varetta Dillard, Wynonie Harris and Larry Darnell setting records on their tour. Varetta goes into the Downbeat, Providence, R. I., as a single on May 4. . . . Saxster Ben Webster romantically linked with Clara Milinder, ex-Cotton Club beauty. Webster joined the Johnny Hodges group for two JAP sides and his booming tenor gives that Ellington sound to the ork. Ben was featured with the Duke. . . . Rama, new R & B entree, signed The Crows, vocal group, and Viola Watkins, former MGM chantress. Viola handled arrangement and direction, the group etched "7 Lonely Days" and "No Help Wanted." with Miss Watkins singing on the "Lonely" side.

BEN WEBSTER

CHICAGO:

The gorgeous Lena (Horne, that is) opened this past week at the Chez Paree after an absence of 3 years. Last time we saw Lena was at the Fairmount San Francisco. She packed 'em in night after night. . . . Another Cash Box SCOOP: Weeks back this publication advised the industry of the trend of answering one disk with another. Now others seem to have awakened—all of a sudden. . . . "Bear Cat" by Rufus Thomas, Jr., on the Sun label, starts off hot. . . . Willie Mae Thornton's Peacock disk "Hound Dog" going and going. . . . Bobby Prince heads for Louisville after Flame Club in Detroit. . . . Wilie Mabon's new Chess, "I'm Mad" b/w "Night Latch," sold 30,000 copies the first week, according to Phil Chess. Tried to keep this new one quiet. So they could fill their distributors' advance orders. But as soon as word got around that "the new Mabon disk" was released orders just started to pour in. Consequently, Len Chess forced to rush down to Buster Williams' pressing plant in Memphis, to personally supervise and help ship the orders. While in Memphis, Len also shipping Little Walter's "Off The Wall." Looks like Little Walter has his third hit in as many releases. . . . Maurice Rocco the 88'r at Chicago 11thtr for one week's stay as part of Rosemary's stage show. . . . Blue Note packed as avid fans congregate night after night to listen to Stan Kenton. . . . Buddy Morrow spinning 'round to platter spinners with his latest for Victor, "Train, Train, Train." . . . Josephine Premice, Brooklyn's Haitian thrush, who chants tunes with that Latin tempo, opens at Rush St.'s Black Orchid. Her first appearance here. Formerly toured with Josh White. And Mercury's Lola Ameche also in this Black Orchid show. . . . Harry Belafonte clicked big at this spot. . . . Blue Angel, another of Rush St.'s flourishing intimate nite spots, has extended Jimmy Payne's Afro-Cuban "Calypso Carnival" to 6 nites per week. . . . Seems like Chicago going big for the intimate style club featuring top name performers. . . . Decca just signed up another Lew Douglas find, vocalist Bea Gardee.

LOS ANGELES:

Big hoopla at the Pasadena Civic for Duke Ellington turns up as one of the highlights of the season. Drummer Louis Ballson joins the Duke for this setto. . . . Nice to sit back and watch the strides young Bob Weinstock of Prestige Records has made in so short a time. . . . Earl Bostic and his gang just closed at the Tiffany Club. . . . Hunter Hancock's Amateur shind'g's over at the Club Alabam have turned up some mighty fine talent. . . . Lou Sowa joins John Dolphin's Recorded in Hollywood label as national sales manager. . . . Big hassel re who owns the publishing rights to "Hound Dog." . . . Irv Shorten's Allied Music Sales firm doing a whale of a job with those precious Savoy LP jazz sides. Wax features some of the finest men in the biz. . . . Little Willie Littlefield's "K. C. Loving" making a ton of noise in town. . . . How come Art Sheridan left sunny Los Angeles sooo fast. We had umpteen phone calls from guys who wanted to see ya' Art. . . . Lee Magid, Savoy Records A & R chief skedded to visit Los Angeles on a talent hunt. . . . And Bobby Shad, who made it a quick coupla days in L.A. not so long ago. . . . One of the greatest pieces of wax we've had the pleasure of hearing in many a moon turns up as a th'ng called "The Honey Jump" by Oscar McLollie on Modern Records. Firm released the disk only a short week ago, and already they've been swamped with orders to the tune of more than 25,000 back ordered. Reaction from all distribs is unanimous we learn—it's another "Honeydripper."

Jubilee Signs "Star Time" Youngster

NEW YORK — Andrew Wideman, 12 year old piano-blues singer featured on "Star Time" NBC-TV's top kid variety show, is all smiles as he watches Jerry Blaine, President of Jubilee Records sign him to a long term recording contract on the Indie Label. Looking over young Wideman's shoulder is George Scheck, the "Star Time" TV producer who discovered Wideman and set up the disc deal. The singers first sides will be released April 15th.

Modern Acquires Class Records Hit

LOS ANGELES, CALIF. — Saul Bihari, president of Modern Records this city, jumped on the hit bandwagon via a disk release that reportedly has many of the nation's distributors literally begging for records.

Cause of the furor is an etching tagged "The Honey Jump." Originally recorded on Class Records by the Oscar McLollie ork and released via veteran disk man Leon Rene, Modern acquired the sides and is handling them through their distribution channels. Modern paid Rene a reported \$5,000 for the masters and signed the McLollie group to an exclusive recording contract.

Comment in the trade is that not since "The Honeydripper" on Exclusive Records some years back has there been a recording ala the current McLollie disk. The Modern plattery has already increased its production capacity for this record, and has an estimated 25,000 backlog in orders.

Rama Inks Artists

NEW YORK — George Goldner, A & R head of Tico Records, reports the signing of new artists for his rhythm and blues label, Rama Records. The Crows were signed after they won in the finals of the Apollo Theatre's amateur show. The groups first release is "Seven Lonely Days" and "No Help Wanted."

Rama has also signed Viola Watkins.

STAN GETZ QUARTET
(Jax 5007)

C "DIAPER PIN" (2:39) [Rockland Music] That showman of the tenor sax gives a solid interpretive reading of a quick beat item. Guitar, piano, drums and bass support the master.

B "AS I LIVE AND BOP" (2:41) [Rockland Music] Another fast moving cool jazz piece showcases the Getz sax. The initiates will go for this deck.

JIMMY & WALTER
(Sun 180)

B+ "BEFORE LONG" (2:37) [Delta Music] This duo dishes up an exciting slow blues in top-flight manner. Vocalist half of the team is in good voice as he emotes with tenderness and warmth. Guitaring is haunting and adds much color to the dish. A very effective etching and one that could break out.

B "EASY" (2:55) [Delta Music] Flip is an instrumental slow blues with a pretty melody. An ok disk that makes pleasurable listening.

THE FIVE KEYS
(Aladdin 3175)

B "MAMA, YOUR DAUGHTER TOLD A LIE ON ME" (2:39) [Aladdin Music] Another answer to one of the top tunes in the r & b field. The boys chant engagingly with the lead employing a gimmick or two in his vocal. Rendition is a bit wild and the boys blend well for an exciting disk.

B "THERE OUGHT TO BE A LAW" (2:41) [Shapiro Bernstein] The under portion is a decided change of pace. A slow romantic ballad handled with a soft feeling. The boys handle this type of material best.

WYNONIE HARRIS
(King 4620)

B "MAMA YOUR DAUGHTER'S DONE LIED ON ME" (2:17) [Lois] Another answer to "Mama". The lyrics are different than the above reviewed version. The gruff voiced Wynonie treats the tune to a potent reading.

B "WASN'T THAT GOOD" (2:25) [Lois] A quick tempo novelty that allows the mind to wander suggestively. There's a chuckle as Harris tells of how he likes to play games with her.

LITTLE ESTHER
(Federal 12126)

B+ "HOUND DOG" (2:23) [Valjo] Little Esther's version of the nation's number two tune is a solid and exciting treatment that could cut itself a piece of pie in areas not already covered. Guitar gets a big play on this etching and does itself proud.

B "SWEET LIPS" (2:28) [Jay & Cee] Flip is a change of pace item for the gal. Little Esther chants a tender and romantic ballad with warmth.

★ AWARD O' THE WEEK ★

"DEM DAYS" (2:40) [Marvin]
"BAD LITTLE GIRL" (2:30)
[Fred Fisher]
THE ORIOLES
(Jubilee 6115)

● The Orioles have come through with one of their best recordings in a long time. Titled, "Dem Days", the boys have a fetching quick beat to work with and they make the most of it. They chant with zest as they recall the good old days and the tempo increases to wildie proportions with a spiritual feeling. The group blends smartly for a fascinating performance and an exciting finished product. The reverse plate is a change of pace. A slow ditty, "Bad Little Girl", that brings out the tender side of The Orioles. The voices melt into a rich blend as they colorfully paint a pretty picture. The Buddy Lucas ork backs the group in top flight fashion on both decks.

"I WANNA KNOW" (2:41)
"I'D CLIMB THE HIGHEST MOUNTAIN" (2:39)
DOLLY COOPER
(Savoy 891)

● Dolly Cooper belts a fast moving novelty, "I Wanna Know", with a sparkling reading that really sells this tune. When she's in a temper you can feel the anger. When she melts a bit and shades her inflections, her passions come through. She sings the lusty lyrics demanding to know where her boy friend goes and what he does. A side filled with fire and the bitterness of a woman scorned. This end has pace, deft handling, and a story that your customers will want to hear. The under lid, "I'd Climb The Highest Mountain", is an emotional treatment of the tender oldie. Miss Cooper is aided by the potent chorus chanting of The Four Buddies and the resulting disk is a good one.

THE CASE BOX

SLEEPER OF THE WEEK

"ONE ROOM COUNTRY SHACK"
(2:40) [Venice Music]
"MY WOMAN KNOWS THE SCORE" (2:06)
MERCY DEE
(Specialty 458)

● Mercy Dee dishes up a slow blues titled, "One Room Country Shack", simply, but with warmth and a haunting feeling. Dee tells the story of living in his one room shack and his tone conveys his sadness and loneliness because of his monk-like existence. Backing the vocalist is some scintillating keyboard work. Total effect of the platter is to arouse the sympathy of the listener. The appeal that Dee manages to get across will make this a successful etching. The under lid is another slow beat blues handled in similar fashion and comes out a strong deck, but one that falls short of the commercial possibilities of its coupler.

"PLEASE BELIEVE ME" (2:39)
[Andrea Music]
"OH, BABY" (2:41)
[Andrea Music]
DORIS BROWNE
(Gotham 290)

● The lovely voice of Doris Browne makes excellent use of a top piece of material and the combination should prove to be a strong selling etching. Titled, "Please Believe Me", a slow tempo blues, the tune is given a from the heart reading by the talented thrush. Her emotional delivery of the romantic number and the stirring organ backdrop makes this a contender and a great bet for the boxes. The flip deck is a rhythmic quick tempo tune zestfully performed by Miss Browne. She is definitely a gal who will be heard from. Musical assist is in the mood and the etching is a lively platter.

PAULA WATSON
(MGM 11466)

B+ "I LOVE TO RIDE" (2:41) Paula Watson gives it everything and comes up with a fast beat rhythm item that has potential. Miss Watson injects life and fire into the etching for a fine side. A good one for the boxes.

C "PUT A LITTLE BUG IN MY EAR" (2:37) The under portion is a subdued ditty that seems more fitted for the pop field. A quick beat love item with cute lyrics.

LEM JOHNSON
(MGM 11467)

C "I GOT A LETTER" (2:37) Lem Johnson sings a slow blues with a romantic story. Chanter works with an easy approach and is backed solidly, with sax standout.

B "IT TAKES MONEY, HONEY" (2:39) Johnson indulges in a bit of philosophy as he sings "it takes money, honey, to make the world go round." The chanter is assisted by a fine chorus chant and a solid bit of material.

DEBBIE MORRIS
(Tuxedo 884)

C+ "RAINBOW 'ROUND DIXIE" (2:30) [Forte Music] Debbie Morris sings a middle tempo tune with pretty melody. Vocal and backing kept on a soft kick. A rambling piano and mellow sax makes for ok listening.

C+ "YOU'LL NEVER KNOW" (2:50) [Bregman Vocco Conn] The lovely oldie is given a pop treatment by the thrush. Handled smoothly and softly.

ILLINOIS JACQUET
(Mercury 89036)

B "WHATS THE RIFF" (2:52) [Gilbert Music] Illinois Jacquet treats his fans to a quick beat wildie that should satisfy the most exacting. Jacquet's saxing is exciting and top drawer. Orking stays in the background with some interesting sounds from the organ.

B "BLUES IN THE NIGHT" (2:53) [Remick] The slow beat standard, an early jazz classic, is the material and Illinois makes lovely sounds. The sax star is a treat to the ear and the disk is solid.

BUDDY JOHNSON
(Mercury 70116)

B+ "HITTIN' ON ME" (3:00) [Sophisticate] Buddy Johnson and his ork etch a pulsating slow tempo ditty with socko effect. The orking is standout with a more than adequate vocal by Ella Johnson. Thrush sings infectious lyrics in which she emphatically chants she don't want a man who is hittin' on her and "the last man who hit her is dead since '43". Cute and should get reams of plays.

B+ "ECSTASY" (2:55) [Sophisticate] Nolan Lewis does the vocal on the lower deck. The singer has that "Eckstine" sound and his treatment of the slow dramatic item is tender and poignant. A good bet for the pop market.

Brad Phillips To Hold First Record Hop

BRAD PHILLIPS

NEW YORK — Brad Phillips, one of New York's leading djs who broadcasts over radio station WINS, has set the date for his first "Record Hop" to be held at Our Lady of Grace Church Hall in Howard Beach, Queens, on Friday, April 17th.

Brad is trying to make a weekly affair out of these dances. He will operate out of hospitals, civic organizations and religious centers in all the five boroughs and Long Island on a non-profit level with all the proceeds from admission charges going to the respective organizations where the dances are held.

Kings County Hospital, Veteran's groups and many others who heard of Brad's idea responded with an eagerness to cooperate.

The disk jockey is counting on all the fans who listen to his "Singing Battle Royal" to help make this as successful as his "Aquashow" Night and "Smarty Pants" ventures which he held in the past.

"I don't know if New York has ever had a "Record Hop," says Brad, "But I sincerely hope that with the help of the wonderful people who make and buy records we may establish a precedent for something enjoyable and worthwhile at the same time."

Dave Greenman Promoted At Times-Columbia

NEW YORK — David Greenman has been promoted to the sales department of Times-Columbia, the Columbia Record distrib in New York. He will handle sales in the Queens and Brooklyn areas.

Greenman was formerly in sales promotion for Times-Columbia at which post he developed a great many friends in the record business through his direct and sincere approach. This sales move will undoubtedly round out his record knowledge for bigger potentials in the future.

Capitol Parties Garry Wells

CHICAGO — Cocktail party given by Capitol Records for their new vocalist, Garry Wells, at the Driftwood Restaurant, brought out several of Caritol's top recording artists.

These included Les Paul and Mary Ford, Stan Kenton, Ray Anthony and Nelson Riddle.

Among the disc jockeys present were Jim Lounsbury, WJJD; Bob Porter, WIND; Jim Lowe, WMAQ; Topper, WCFL; Mark Rogers, WMAQ; Bill Wells, WBBM; Dirk Courtney, WMAQ; Saxie Dowell, WGN; Bob Drews, WAAF; Jay Smith and Al O'Brien of WOPA.

Other guests included Fran Allison, Archie Levington, Peggy Taylor and Eddie Ballantine of the famed Breakfast Club.

At the conclusion of the affair, most of the crowd went to the Aragon Ballroom to listen to the music of Ray Anthony.

Ruth Brown's "Mama" Brings Flood of Answers

RUTH BROWN

NEW YORK, N. Y.—A rarity in the current succession of hit disks that uncovers a new "find" with each release that catches the fancy of the rhythm and blues public, is the established star who maintains his or her hold on the buying and listening disk fans. There are several such standbys, but none with the shattering effect of Ruth Brown, Atlantic Records Queenbee, whose every release zooms to the top of the heap with lightening speed.

Miss Brown has sold an aggregate of several million records in the years she has been with Atlantic and, in this era of the fickle fan, this deed is a remarkable accomplishment. For two solid months the thrush has been astride the rhythm and blues Cash Box "Hot" charts with "Mama, He Treats Your Daughter Mean." An immediate sensation, the disk rose to the number one spot with the reaction of mercury to heat. It was an inevitable success. Given material, Ruth Brown can be depended upon to inject every modicum of appeal, excitement, tenderness, sadness, fire and color demanded by the tune.

The irrepressible chantress was endowed with a vivid and sparkling personality that transcends the wax. When the mood is tender, she is caressingly soft; when anger is called for, she is acrimonious, firey and vitriolic; and when sex is called for, she is sultry, burning and torrid.

In "Mama," the chantress sings a rhythmic quick beat in which she employs all her vocal magic with devastating impact.

In line with the inclination of R&B indies to jump on a "hit" etching, it was simply a matter of time before the "answers" began to flood the market.

Known answers at this writing include "Daughter, That's Your Red Wagon," by Gloria Irving on States

Records; "Mama, Your Daughter's Done Lied On Me" by Wynonie Harris on King; "Papa" by Scat Man Crothers on Recorded In Hollywood; "Papa" by Bennie Brown on Gotham; and "Mama, Your Daughter Told A Lie On Me" by The Five Keys on Aladdin.

Unusual twist is the listing of a different publisher by each of these companies. Most of the answering indies feel that the slight changes in the lyrics and treatment makes their version an original. This question, must of necessity be determined, and according to Charles Lang, general manager of Fisher Music, publisher of "Mama," the matter has been turned over to Jack Pearl, attorney, for adjudication. All record companies and publishers involved have been notified and an accounting demanded.

The number has already spread into the pop field, with RCA Victor releasing its version via Tamara Hayes and The Ramblers; and Decca via Ike Carpenter and His Orchestra.

Joe Martin Leaves RIAA

NEW YORK—Joe Martin has left his promotion post at the Record Industry Association of America.

Martin had been hired for the Hartford Music Festival promotion which was sponsored by the RIAA and he remained with the organization until the present time because there was an excess of funds which had been appropriated for the event.

From now on the RIAA will hire promotion men only for specific occasions.

Martin has not yet announced his future plans.

CHICAGO—Newest label here is "Master," intro'd to the field by Marvin Enterprises, headed by Marvin Kreenberg of the hosiery clan, and presents Al Saber, one of best liked vocalists here as its first song star.

Al Saber is featured with David LeWinter's Pump Room ork. In addition

to thumping the bass, he is noted for his vocalizing in this top spot.

The topside of the first "Master" disk is "Love Me, Love Me." An adaptation of "La Espagnola" with new lyrics by Bill Walker. Tune is being published by Brandom Music here.

Flipover is the oldie, "What Is There To Say," and is very well sung by Al Saber.

This first disk features David LeWinter's Pump Room ork. It's already receiving raves of many deejays and juke box ops here.

Tony LoFrano and Vince Micko, who are both members of the LeWinter crew, are guiding sales of the new firm.

"Mexican Joe" Sparks Diskery To Big Time

DALLAS, TEXAS — The young president of a young record company was in town this week with a big story about a big hit record.

The man is Fabor Robinson, president of Abbott Records. His big hit is a tune called "Mexican Joe" recorded by a fellow named Jim Reeves.

This is Robinson's second release since he went on his own. The first was a tune called "What Were You Doing Last Night" backed up by "Wagon Load of Love" and sung by the same Jim Reeves. This tune didn't do much.

Then Robinson ran into a tune called called "Mexican Joe." Overnight he was able to get distributors all over the nation and sales on the number are skyrocketing. Predictions are that it will be the top tune in the country before long.

Robinson got his start as a Hollywood sound man; later he had his Abbott label distributed in conjunction with the well established distributors of Four Star.

He went out on his own, met Jim Reeves who was a disk jockey in Henderson, Texas and now he is all set with a hit record and an up and coming artist.

Fabor Robinson's future career will be interesting to watch as well as the progress of "Mexican Joe."

Composer Wilson Takes Post With Knoxville Recording Firm

American Legion Contest Judged By Disk Jockey

WASHINGTON, D. C.—The Washington high school student who represented the D. C. Department of the American Legion in the patriotic organization's national oratorical contest was "some punkins."

One of the judges in the elimination to select a Washington contestant was WWDC personality Fred Fiske who is usually heard on the air conducting hill-billy shows or as a commercial "pitchman" for various direct selling products in the Washington area.

Fiske, however, didn't see anything incongruous in an orator with a hard driving hillbilly twang.

"If the winner is handled right, he'll probably wind-up in Congress," Fiske maintains.

The D. C. American Legion Oratorical Contest was held Friday, March 27th, at the Department of Commerce Auditorium.

Second "Hit Tune Party" To Be Held April 11

CLEVELAND, O.—The second Hit Tune Party sponsored by the Cleveland Phonograph Merchants' Association and the Cleveland Press will be held on Saturday, April 11, 2-4 P.M. at the Cleveland Music Hall. Plans are under way to beam it to the entire Northwestern Ohio area via television. This is the first time that television will enable all to enjoy the unique promotion.

April's Hit Tune Party breaks tradition in a second way too. So that as

many teen-agers as possible can attend this affair, it will be held on a Saturday afternoon. Thus a record breaking crowd of about 5000 is expected.

Once again ten unreleased records will be spun from a juke box, stage center, and the teen-agers will applaud their favorite tune. This will be named "Hit Tune" for May. Leading recording artists will take the stage to perform and prizes will be awarded.

THE CARLISLES

(Mercury 70109)

• The Carlises bid fair to continue the success they attained with "No Help Wanted," presently one of the hottest folk and country tunes in the nation, with their latest release. The upper deck, "Knot-hole," is a quick beat novelty fetchingly etched by the accomplished crew. With play on the key line, "you oughta see what I saw through the old knot hole," the biscuit rides merrily along in gay manner. The Carlises have another racing tempo ditty on the lower end titled, "Leave That Liar Alone," and they belt it with spirit. Lyrics are in the cute novelty vein and the group goes all-out for an exciting and pleasurable disk. Etching has that "spiritual" feel. Both sides could go.

(2:25) [Daniels Music]

EDDY ARNOLD

(RCA Victor 20-5193)

• A pair of old lovelies etched by the master, Eddy Arnold, are taken from his current album "All Time Favorites" and released as a single. Both sides, former big hits, could be revived via this etching. The top deck, "You Always Hurt The One You Love," a tender and warm item with powerful lyrics is emotionally and expressively chanted by Arnold with a strong assist by his able guitar. The lower lid, "Moonlight and Roses," a perennial favorite and one with a nostalgic hold on lovers of all ages is given a mellow reading by the soft and polished chords of the western artist. This is a two sided must for the boxes. Appeal is potent on both ends.

BILL MONROE

(Decca 28608)

• "YOU'RE DRIFTING AWAY"

(2:31) [Bill Monroe Music] Bill Monroe sings a middle beat religious item in stirring yet soft fashion. Subdued strings support Monroe.

• "WALKING IN JERUSALEM"

(1:57) [Bill Monroe Music] Monroe chants a fast moving spiritual on the under portion.

HANK SNOW

(RCA Victor 20-5249)

• "IN DADDY'S FOOTSTEPS"

(2:47) [Empire Music] Hank Snow dishes up a semi-religious slow tempo tune that has the earmarks of a hit. Hank's velvety voice etches an emotion packed item in tender fashion. The Rainbow Ranch Boys back the artist in top-flight fashion.

• "THE GLORY LAND MARCH"

(2:28) [Peer Int'l.] A lively spiritual is given a terrific reading by Snow. The disk moves from the opening bar with the chanter getting able support from his choral group. A handclapper that excites and pleases.

SMILEY WILSON

(Republic 7033)

• "I'VE FOUND MY OWN" (2:41)

[Babb Music] Smiley Wilson and Kitty Carson blend a sweet duo as they chant a tender slow beat with sad lyrics.

• "BARNYARD BLUES" (2:38)

[Babb Music] Flip is a middle beat bounce given a lively vocal reading by Wilson. Treatment is r & b flavored and etching is a musical pick-me-up.

WESLEY TUTTLE

(Capitol 2408)

• "FILL THE CUP TO OVERFLOWING" (2:21) [Bregman

Vocco and Conn] Wesley Tuttle spins a romantically gay ditty of bouncy middle tempo. Tuttle's familiar yodel and his manner of presentation makes this a top-flight deck.

• "I'VE GOT A ROUND TRIP

TICKET" (2:28) [Riverside Music] Under portion is a rhythmic quick beat story of the country boy going into town. The warblers polished chanting is supplemented with a chorus and strings. A good disk and one that excites.

BONNIE LOU

(King 12113)

• "DANCIN' WITH SOMEONE"

(2:37) [Valando] King's new girl singer, Bonnie Lou, sings a very pretty pop item against a country string backing. Bonnie's voice is lovely.

• "SCRAP OF PAPER" (2:49)

[Village] Another lovely number or slow tempo beautifully presented by the young thrush. Similar string backing on this end.

JIMMIE OSBORNE

(King 1193)

• "NAG, NAG, NAG" (2:44) [Lois]

Jimmie Osborne warbles a spirited cutie in which he tells of his nagging wife in humorous detail. Strings support the artist in fine manner.

• "I'M SCARED TO GO HOME"

(2:27) [Lois] Osborne has another quick beat novelty on the flip-end. He forgot his anniversary, spent his money in honkey tonks and is afraid to go home.

TEXAS BILL STRENGTH

(Coral 64152)

• "HEART DON'T COMPLAIN"

(2:23) [Ernest Tubb Music] Texas Bill Strength is lonely and blue as he has lost his gal. Strength chants the romantic slow beat with a feeling of sadness.

• "RAIN OR SHINE" (2:31) [Ernest Tubb Music]

The lower lid is a middle tempo lilt chanted with zest by Texas Bill. The chanter performs smoothly and pleasingly as he tells of the train taking him back to his girl.

HAL "LONE" PINE and BETTY CODY

(RCA Victor 20-5263)

• "I'M TALKIN', START

WALKIN'" (2:30) [Hill & Range] Hal and Betty chant a nasal quick beat with a cute and light approach. Hal promises all kinds of inducements to get Betty to come home. The Mountaineers back the duo in fine style. Interesting note is the injection of drum beats in spots. Simple but effective.

• "JEALOUS LOVE" (2:30) [Tri-

anon Publications] The lower lid is a romantic middle tempo with Betty handling the lead. A moving etching with a potent vocal job by the pair.

OMAHA, NEB.—In a letter from Howard N. Ellis, secretary and treasurer of the Music Guild of Nebraska, he states: "The fact of the matter is we don't take any other trade magazine but The Cash Box. . . . The Cash Box is the only publication that is doing all the fighting for the rights of the nation's juke box owners, as well as their livelihood. . . . I want you to know we as juke box operators certainly appreciate the fact that The Cash Box is fighting this bill (McCarran Bill) openly." In a letter to the members of the Association, Ellis wrote: "You remember in the last letter I mentioned 'trade magazines.' I wish to retract that statement and say The Cash Box as they are the one who is fighting for the rights of the juke box owners."

LONDON, ENGLAND— .22 calibre bullets, which have been rationed by law to arcade owners operating rifle ranges in this country, have now been decontrolled, and they can now be purchased in any quantity desired.

The only restriction now remaining for members of the coin machine industry here, is the embargo on imports of equipment. It is the hope of the men engaged in the coin machine business here that England's economic condition keeps improving so that equipment from the United States will be permitted to be imported.

PARIS, FRANCE—A cut of about 10% in France's imports from Western Europe and the sterling area will be made by a new policy the Government put into effect Wednesday, April 1, according to a front page story in the New York Times. This ruling, no doubt, will include coin operated equipment, as it is a general policy.

NEW YORK — The juke box was given a featured spot in the Milton Berle TV show on Tuesday night March 31, when the Wurlitzer 1500 was used to spotlight the appearance of Eddie Fisher, RCA Victor recording artist. No matter what selection Berle made, out came a Fisher tune. Twist was when Fisher arose from in back of the phono to greet Berle, and sang several tunes. The conversation, many times, referred to the juke box. All in all a great publicity plug for the industry.

BERLIN, GERMANY — A perusal of the current issue of "Automaten Markt," Germany's coin machine trade magazine, indicates that the juke box is headed for great popularity. In addition to featuring the American made phonos, there are several being manufactured by the local factories. It was interesting to note, also, that these German manufacturers are turning out American-type pin tables for the first time.

Will The Public Pay 25c For Each Juke Box Tune?

No!! This is not an attempt to have juke box owners increase the cost to the public to play the records on their phonographs.

It is simply the most dramatic manner in which a most definite FACT can be presented to the nation's juke box owners.

AND THAT IS—should the ASCAP sponsored McCarran Bill (S.1106) (or the newly introduced Dirksen Bill, or any that might be introduced in the near future by any other Senators or Representatives) be voted into FEDERAL LAW—the nation's juke box owners may have to CHARGE 25c PER TUNE.

As every juke box owner in the nation realizes—THIS IS IMPOSSIBLE.

THIS WOULD ABSOLUTELY KILL THE JUKE BOX BUSINESS.

Why . . . and how . . . would this become necessary? Simply because there is absolutely nothing, no statement of any kind whatsoever, contained in the present McCarran Bill (S.1106), sponsored by ASCAP, wherein there is A LIMIT PLACED ON WHAT ASCAP CAN CHARGE AS ROYALTIES. THAT THE JUKE BOX OWNER MUST PAY THEM.

And to get some "idea" of what ASCAP would charge, all that any juke box owner has to do is check back on the Bryson-Kefauver Bill of 1952. In that bill ASCAP wanted 1c per side of each recording per week as royalty directly from the owners of the nation's juke boxes.

The fact that ASCAP's publishers already receive royalties indirectly from the nation's juke box owners, royalties that are directly paid to these very publishers by the record manufacturers, and the fact that the record manu-

facturers have placed this royalty charge on the price the juke box owner pays for the recordings he purchases, seems to mean nothing to these music publishers.

They claim that ASCAP, directly, gets nothing from the juke box owners. What they don't say is that ASCAP is their own collective collection agency for royalties to be paid to them (on some sort of a graduated scale) for their copyrighted music.

In short they want to be PAID TWICE FOR THE VERY SAME TUNE.

The ASCAP publishers want the record manufacturers to continue paying them directly, and they want the juke box owners to pay to ASCAP.

That means they will get royalties directly from the record manufacturers (actually royalties indirectly already paid them by the juke box owners because these royalties are added onto the price of each recording the juke box owner purchases) and then these same ASCAP music publishers will again get royalties for the very same tune (paid by the very same juke box owners) on their graduated scale from their collective collection agency—ASCAP.

And if that doesn't add up very easily to forcing every juke box owner to charge 25c per play per tune on his juke boxes to the public—then the juke box owners had better WAKE UP and WRITE TO THEIR CONGRESSMEN AND THEIR SENATORS (and get all their friends, location owners, civic leaders and everyone else they know and/or do business with) TO DO THE SAME.

TO CONTINUE IN BUSINESS THE NATION'S JUKE BOX OWNERS MUST STOP The McCarran Bill (S.1106) and The Dirksen Bill right where it now is—in the Committee On The Judiciary of the Senate of these United States.

Music Ops Agree On: REASONS FOR 10c PLAY

Point To 150% Increase In Overhead Expense Plus Big Drop In Tavern Patronage

CHICAGO — In the midst of all the problems facing the juke box field, operators everywhere in the nation continue to switch to dime play, just as fast as they can gain the cooperation of others in their territories.

In almost every case music ops give as their prime reason the tremendous increases they are enduring in general overhead expense.

The average increase, according to what ops report, is better than 150% over the pre-war figures.

In addition to all this, they report, the sharp loss of business being suffered in their best locations, the taverns, has also had much to do with the desperate need for turning to dime play.

Operators claim that, when all is tallied, dime play at this time simply

means the very same income they enjoyed on nickel play during the pre-war period.

They report that, to get any sort of decent return on their investment, the same sort of return they used to get during the pre-war years, they have to switch to dime play.

They also claim that if dime play will bring about even a 20% increase they are able to continue in business on the very same basis as they did during the pre-war years when phonographs cost them far less than half what they cost them at this date.

In fact, they point out, almost every expense has much more than tripled. All that they can hope for is that dime play will, somehow, bring them an increase of at least 20% so that they can continue on in business at this time.

Nat Cohen Introduces New Kiddie Ride

NAT COHN

NEW YORK — Nat Cohn, president of Riteway Sales & Manufacturing Company, Inc., this city, announced the introduction of a new kiddie ride "The Tanks Are Coming," manufactured exclusively for them by Nasco of Philadelphia, Pa.

The new kiddie ride is a miniature, realistic army tank set on a mechanical base, which gives the rider the feel of traveling over rough terrain. It is finished in the usual army tank paint, but flashed up tremendously to attract attention.

"Our new kiddie ride is sure to at-

tract kiddies to it in droves," stated Cohn. "We had the piece on location test in both Atlantic City and Long Beach, N. J. for the past two months, and it proved not only simple to operate mechanically, being entirely trouble-free, but it showed almost unbelievable collections. One of the features included is retractable casters, making it possible to move the machine indoors or set it up outdoors. Our low selling price is also a very important factor."

Cohn reported that "The Tanks Are Coming" ride is now in full production, and deliveries will be made to their distributors thruout the country in about a week.

This new ride is an adjunct to the already popular "Atomic Jet" and "Aqua Jet" rides, which continue in production.

Attention: Members of "20 Year Club"

ATLANTIC HIGHLANDS, N. J. Have you written to Babe Kaufman at 40 Hooper Ave., this city, accepting her invitation to attend her house and lawn party on Sunday, June 21?

This will be quite a shindig, and Babe wants all you club members, no matter where you are, to be on hand. Be sure to drop Babe a note.

Williams Mfg. Announces "New Deluxe Baseball" Game

SAM STERN

CHICAGO, ILL. — Williams Manufacturing Company, this city, announced its newest game, "New Deluxe Baseball" game this week.

Sam Stern, vice president, stated: "Features include players that actual-

ly run the bases in panoramic third dimension within the back light box. Playfield animation includes a push-button electric pitcher that throws the ball, whereupon the player bats the ball for hits, outs, home runs, etc., with bases lighting up as players occupy first, second and third base.

"'Deluxe Baseball' is adjustable to operate on one play for adime, three plays for a quarter; or nickel play, two for a dime and five for a quarter play.

"The coin chute is a single entry, slug-proof, with a mechanism that accepts and records credits in any combination of coins.

"Additional operating advantages include a light box that hinges forward for easy access and hinged front door for easy servicing.

"Among others, according to Stern, the New DeLuxe Baseball game has been thoroughly tested and proved for popularity that far surpasses any game of its type heretofore produced."

AL SCHLESINGER

Lincoln Steffens once said: "The typical business man is a bad citizen; he is busy. He is the one that has no use and therefore no time for politics! When its neglect has permitted bad government to go so far that he can be stirred to action, he is unhappy, and he looks around for a cure that shall be quick, so that he may hurry back to the shop."

Visiting here in Miami, Florida brought this back to my mind. Here where a very large group of unorganized operators who over the years have been operating amid conditions, that smelled to high heaven. They have finally been stirred to action. The result of that action has been the formation of the Amusement Machine Operators Association. The president Willie Blatt, while not a native, is now a resident with formidable coin machine interests. This Association is now probing the problems that should have been tackled over the years; such as bonuses to location, jumping location, sales to locations, excessive taxation, and all the abuses that occur when operators are not organized. Since the formation of AMOA it is apparent many improvements have been made. Under the able leadership of Mr. Blatt and the cooperation of Jimmie Bonnie, business manager, corrective measures have been inaugurated. I hope that the operators will not return to their shops and go to sleep again. As I see it, it should be the duty of every operator to attend every meeting, to accept committee assignments, to work for the continual improvement of their conditions. If they do that, I am certain they will have a better and more prosperous business.

Miami Music Ops Raise War Fund To Fight McCarran Bill

Also Discuss Changing To Dime Play

W. M. BLATT

"Our members felt that we must take definite steps to stop the McCarran Bill right in committee" stated Willie Blatt, president of the association, "and the most practical and helpful manner in which we could cooperate is to raise a war fund and send it to George A. Miller, president of the Music Operators of America."

The members of the AMOA, in addition to its vote to assist in defeating the McCarran Bill, also discussed 10c. play. "We have been discussing dime play for several months" said Blatt, "and we even got a majority to vote on a motion to convert immediately, but I felt that unless we can get at least 75% of the members to change over, we are going to run into trouble when we have two locations side by side and one plays for a nickel and other takes a dime to play the same identical record."

"We know that we eventually must go to 10c. play in order to survive, but some of our members seem to feel that we should try and hold out for as long as we can, and check some other parts of the country where they have already converted to 10c. play and learn by their experience."

AMOA members voted to call a special meeting on April 10 for the sole purpose of discussing the immediate conversion to 10c. play.

MIAMI, FLA.—The main topic on the agenda of the Automatic Music Operators Association, this city, when they had their general meeting on March 26, was the McCarran Bill.

Members of the association discussed this Bill for several hours, and decided to assess each music machine, the proceeds to be sent to MOA to assist in defeating this vicious and unfair Bill.

An Appeal To Senator Everett M. Dirksen FROM ONE OF HIS ILLINOIS CONSTITUENTS

Dear Senator:

When Senator Pat McCarran of Nevada introduced Senate Bill 1106 to amend the "Copyright Act of 1909" on February 27, 1953 (this bill is now before the Senate Judiciary Committee) it was pointed out that this was simply a bill to obtain a tax on top of an already paid tax from the nation's juke box owners solely for the complete benefit of ASCAP by a law to be enacted by the elected legislators of all the peoples of these United States.

This bill (S.1106) is sponsored by the multi-million dollars collection agency ASCAP (American Society of Composers, Authors and Publishers) in an effort to make themselves more rich and more all powerful (by a tax on top of an already paid tax) and thereby add still more to the millions of dollars they obtain each year in royalty for the use of their copyrighted music.

The writer is from Illinois. One of your constituents. With the introduction of your bill to do the same thing, amend the "Copyright Act of 1909," your constituent appeals to you directly. Appeals to you to withdraw your bill. A bill which would mean presenting exclusively, solely and completely to this multi-millions of dollars collection agency, ASCAP, by the power of Federal Law, the law of all the free peoples of these great United States, A TAX ON TOP OF AN ALREADY PAID TAX. And for the sole and complete benefit of ASCAP, this one multi-million dollars collection agency, NOT FOR THE BENEFIT OF ALL THE PEOPLES OF THIS FREE NATION.

It would be even much more serious than that, Senator. In view of the fact that your bill contains no statement of any kind whatsoever as to—HOW MUCH AND HOW OFTEN—ASCAP is to receive THIS TWICE PAID TAX from the juke box owners, ASCAP could, OVERNIGHT, completely smash the business of many hundreds of your constituents, who are juke box owners, by a blasting, blistering royalty demand which would simply mean the end of livelihood for your juke box owner constituents, the end of livelihood for their families, and the smashing of hundreds on hundreds of small business in our great State of Illinois.

Here is the explanatory TRUTH of this tax on an already paid tax: Every time a juke box owner purchases a recording featuring an ASCAP copyrighted tune HE PAYS ROYALTY. This royalty is paid directly to the ASCAP publisher of that tune by the recording manufacturer. The

publisher, in turn, pays the writer his royalty. BOTH OF THESE ROYALTIES ARE ADDED ONTO THE PRICE THE JUKE BOX OWNER PAYS FOR THAT VERY SAME RECORDING!

ASCAP, Senator, is only the COLLECTIVE COLLECTION AGENCY for ASCAP's publishers and writers. ASCAP's publishers and writers ARE ASCAP!! Therefore, your bill, Senator, would allow ASCAP to once again charge ROYALTY, this time DIRECTLY by ASCAP, as a collective collection agency, for this very same tune featured on this very same recording. ROYALTY would ONCE AGAIN go to the ASCAP publishers and writers who ARE ASCAP. In short, Senator, you are helping to bring about with your bill A TAX ON TOP OF AN ALREADY PAID TAX! !

But, Senator, this tragedy is but one phase of what happens to your many hundreds of small businessmen constituents in our State of Illinois—the owners of the juke boxes—who ply a livelihood for themselves, their children, and their families by the operation of their juke boxes.

The bigger, overall tragedy, Senator, is what happens to the millions of others of your constituents here in Illinois. The workingmen and workingwomen. The poor people. The little people who can only best afford the economical musical entertainment of the juke boxes located in drug stores, restaurants, taverns, and other of the "workingmen's clubs" they frequent. ASCAP could most completely destroy their musical entertainment. This, Senator, is ASCAP's way of CRUCIFYING THE MUSIC OF THE POOR ON A CROSS OF GOLD!

I appeal to you, Senator, because I'm certain you would never allow yourself, as the elected representative of the free peoples of our great State of Illinois to your honored and august legislative Senatorial office in the Congress of these United States, to have forced down upon the heads of the peoples of your State of Illinois a TAX ON TOP OF AN ALREADY PAID TAX by the power of Federal Law to benefit but one multi-million dollars corporation.

I again appeal to you, Senator, as one of your constituents from our own great State of Illinois, to reconsider, and to withdraw your request bill to amend the "Copyright Act of 1909," so as not to force this travesty on American justice upon our peoples.

Williams MANUFACTURING COMPANY

Ralph Sheffield Enjoys Successful Southern Trip

RALPH SHEFFIELD

CHICAGO — Ralph Sheffield, roadman for Genco Manufacturing & Sales Company, this city, just returned from a very successful southern trip, advises that he found operators very busy and optimistic over the forthcoming summer season.

Ralph first called on Harry Miele at Williamsport Amusement Company, Williamsport, Pa. and from there traveled down to Atlanta and Macon, Ga.

From Macon, Ga., Sheffield came up

by way of Nashville and Memphis, Tenn., to St. Louis, Mo. and back here to the factory.

He stated, "Everywhere I visited I received very fine reports on our 'Golden Nugget'. More and more 'Golden Nuggets' are being featured on outstanding locations everywhere in the southern territory.

"The operators, jobbers and distributors are very happy over the returns they are getting from our 'Golden Nugget'.

They advised me that the game is proving itself one of the finest they have ever yet operated."

Regarding the general attitude of the coinmen with whom he visited, Sheffield said, "In almost every case I found the operators, jobbers and distributors very optimistic over the forthcoming summer season.

"Everyone believes," he reports, "that this summer of '53 is going to be one of the best in the history of the industry.

"The men are all busy and they are working hard getting ready for all play action they expect during this summer.

"All report that motor traveling has stepped up and that roadside spots are turning out to be extremely profitable."

Whiting, Ind. Tests 10¢ Play Test Also Under Way In East Chicago, Ind.

GARY, IND. — The Automatic Equipment and Coin Machine Owners Association of Indiana with offices here reported that 10c play tests are now under way in the adjacent city of Whiting, Ind.

There are believed to be approximately 75 phonographs located in Whiting.

After many open discussions at meetings of the organization it was agreed by the membership that Whiting should be adopted as the test city. Dime play was put into operation here just a week ago.

The decision for the test came to a head in the meeting of the organiza-

tion on March 18. But it has taken a little time for the operators in Whiting to convert their phonos over to dime play.

There is optimism among the majority of the membership that the test will prove dime play just as feasible in Whiting as in adjacent Chicago, Ill.

While the Whiting, Ind. tests is being sponsored by the association, there is also a single machine test being conducted in East Chicago, Ind.

Belief is that this test will work out and that other phonos ranging all the way to Indiana Harbor will adopt dime play.

3 Mfrs Service Schools Plus Open House Under Way At Lieberman Music

HAROLD LIEBERMAN

MINNEAPOLIS, MINN. — Under way this week (Mon., Tues., Wed., April 6, 7 and 8) at Lieberman Music Co., this city, is not only a big open house celebration but most interesting,

service schools being conducted by three of the nation's leading manufacturer's at the same time.

The manufacturers are: AMI, Inc., Bally Manufacturing Co. and United Manufacturing Co.

Representing AMI, Inc., are Ed Ratajack, Western Regional Director and engineer Al Mason.

From Bally Manufacturing Co., Jack Nelson, Salesmanager, and engineers, Paul Calanari and Henry Brown.

From United Manufacturing Co., Herb Oettinger and Bill DeSelm plus engineers, Henry Ross, Al Thoeke and Ken Shelton.

Harold Lieberman reports, "This is one of the most outstanding parties ever held by our firm.

"The open house features lunches and snacks for all who attend and, at the same time," he says, "we have under way service schools of three of the country's leading manufacturing organizations so that everyone of the operators, from everywhere in our territory, are assured an extremely profitable, as well as a pleasant visit to our headquarters here."

This big affair is under way right now with a larger crowd present than was at first estimated.

Warming weather is reported as one reason plus the fact that with the Spring and Summer seasons getting under way operators in this north-central area are setting all locations.

Rock-Ola Announces New Appointments

DAVID C. ROCKOLA

CHICAGO—David C. Rockola, President of Rock-Ola Manufacturing Corp., this city, announced this past week that, effective as of April 6, the following promotions among executives would be in order.

James J. Sears moves up from his former position as vice-president in charge of purchasing to assistant to the president. Sears has been with Rock-Ola Manufacturing Corp. since 1933.

Wm. F. Haldeman, who entered into the Rock-Ola family of executives in 1945, and was head of the planning department, now moves up to the position of director of purchases.

New executive to enter into the firm is Wm. M. Barker, who comes from Chas. Bruning Co., Inc., of this city. He will take over the position of head of the planning department.

J. Raymond Bacon continues as executive vice-president of the Rock-Ola Manufacturing Corp.

"These promotions and this new appointment are in keeping with the progressive enlargement and continued development of our organization," Mr. Rock-Ola stated, "to help us in our efforts to continue to give the industry the finest service as well as the most outstanding equipment."

United Starts Night Shift To Meet Orders For "Cabana" And All Shuffle Games

CHICAGO—Orders which have piled into the United factory for the firm's new five-ball inline game, "Cabana," have necessitated the employment of a night shift in certain departments.

Bill DeSelm, salesmanager of United Mfg. Co., reported, "We never expected anything like this flood of orders which we have already received for our new game, 'Cabana.'

"It just took us by storm," he continued, "with the result that we have been forced to place a night shift in certain departments to make it possible to meet orders.

At the same time, DeSelm also stated, the factory is working as fast as it possibly can producing their three new shuffle games: "Clover," "Cascade," and "Regulation Shuffle Alley."

Regarding their new inline game, "Cabana," DeSelm reports, "We have all the new features the operators want on this game.

"Select-a-spot feature. Choice of seven numbers. Advancing scores and four corners feature. Two super cards where three in line score four in line. Two triple spot rollovers.

"And in addition," he continued, "the famed United 'serviceability feature plus smooth, quiet operation.

"In fact," Bill DeSelm concludes, "our distributors agree that there never was a finer game than 'Cabana' presented to them."

GRAND RAPIDS, MICH. — AMI, Incorporated, this city, last week presented the Merit Award to Runyon Sales Company, New York and New Jersey, and to the Central Distributors, St. Louis, Mo.

William E. Fitzgerald, advertising and sales promotion manager, when announcing the awards, said: "This Merit Award is not made lightly, but only after the approval of the field

that they may retain their Merit Awards or qualify for them."

The upper pictures show Art Dad-dis, AMI field service engineer presenting the awards to Jack Prigoff, manager of the service department of the New York Runyon offices, and to

service representative, the regional manager and the home office. The award is good for the calendar year. To keep it, the distributor must maintain the highest standards of service. This means that he must have competent service personnel and adequate tool facilities. His staff must be thoroughly informed on factory recommended service procedures.

"It is our hope," continued Fitzgerald, "and belief that these awards will inspire and encourage distributors to adhere closely to the standards set so

the servicemen of the Runyon Newark, New Jersey branch.

Albert Mason, AMI field service engineer is also shown making the award to Charles Kagels and Tony Koupal of Central Distributors in St. Louis.

Roll Out Kiddie Rides As Weather Warms Up

Retailers Place Rides Outside Stores

CHICAGO — Kiddie ride ops report that they are looking forward to one of the very best seasons they've ever enjoyed this forthcoming summer.

One noted op here said, "I've got my location owners cooperating with me already."

"As the weather got warmer, he rolled the kiddie ride out to the front of the store."

"Collections immediately went up."

Other ops about the country are reported to be just as enthusiastic over the forthcoming summer season for the very same reason.

Manufacturers here claim that the casters which they now place on the horses and other kiddie rides have helped operators everywhere to enjoy better returns.

The summer season of '52 was one of the best for the kiddie ride ops, according to all reports.

This summer season the operators believe that they will do even better business because the kiddies are so well acquainted with the various rides.

"At the same time," as one operator claims, "the locations like to place the kiddie rides out in front of their places."

"This helps them to keep their own places clear while they keep their doors open."

"At the same time," he says, "they realize that the returns will be better all around."

With the vacation season coming up later in the summer operators again expect to enjoy a sharp rise in returns from their kiddie rides.

Many are placing kiddie rides out in highway spots for the summer traveling season.

Optimism is general everywhere for a grand summer business for kiddie rides.

Exhibit Execs Arrange Heavy Travel Schedules

FRANK MENCURI

CHICAGO — Heavier travel schedules have been placed into effect here by Frank Mencuri, salesmanager of Exhibit Supply, for the forthcoming months, as demand continues to grow for its products.

Mencuri reported that he will alternate trips with Art Weinand, and that between the both of them, they will make direct calls thruout the trade to meet with the people who are constantly calling on them.

"In this way," Mencuri said, "we believe that we shall be able to give careful, considerate and personal attention to the needs of all of the customers of Exhibit Supply, as well as all prospective buyers."

"There is no longer any doubt," he said, "that direct coverage is most necessary today."

"Due to the fact," he continued, "that I can now alternate these trips with Art Weinand, so that there will always be someone here in our offices at the factory to be on hand to meet visitors," he explained, "we are in a much better position to visit with all of the people who want to see us around the country."

With Weinand's return from New York's Toy Fair, which was pointed as an example, Frank Mencuri immediately started to travel and, on his scheduled return, Weinand left to call on coinmen who had been asking that an Exhibit representative see them.

DALLAS DOINGS

Recent rains in Texas have improved business conditions for operators and distributors alike. . . . Commercial Music held a week's showing of the new Wurlitzer Model 1650 at their showrooms. Operators from out of town as well as from Dallas were enthusiastic about the new machines. . . . Among those on hand for the open house were Fred Davis of Springhill, La.; Ralph Claybrook of Fort Worth; W. D. Wiggins of McKinney; Johnny Caldwell of Paris; W. B. Moseley of Paris; Vincent Lopez of Fort Worth; Bob De Priest, Herby Rippa, Chuck McKool and Lennie Cohen, all of Dallas; and Pete Zuniga of Big Spring. Tommy Chatten says that the Wurlitzer Model 1500 is still a big seller. . . . The new Clover shuffle alleys at Commercial are selling well. . . . Fred Barber over at Walbox Sales Company says that business is good for them. Phonographs and shuffle alley sales are picking up. . . . George Wrenn is on a trip to Wichita Falls and other points in West Texas. . . . Jimmy Garrett of Longview was in Dallas on a buying trip this week. He says that business is good for him. . . . Also O. L. Lowery of Nacodoches. . . . We hear talk about town that the coin machine operators are getting together to form an association. E. L. Certain says that the turn out for the first organization meeting wasn't too good and he would like to see a better turn out at the next meeting. . . . We ran into Weldon Denton on his way to the races in Hot Springs, Ark. He says that his coin machine route out of Colorado Springs is doing well.

MIAMI MURMURS

The Willie Blatts (Mr. and Mrs.) run into Mr. and Mrs. Morrie Ginsberg of Atlas Music Co., Chicago, and Mr. and Mrs. Bert Lane at Wolfie's enjoying a late snack, and join in the discussion about "horses." Seems that the talk wasn't about coin-operated horses, but about those known as "gee-gees," which have a certain amount of appeal for Miami visitors. . . . Samuel Ginsburg, Chicago Coin Machine Co., arrived last week for a rest. . . . Mr. and Mrs. Dave Ginsburg (formerly of Genco), who reside in California, also visiting this "playground of the world." . . . Al Schlesinger of Square Amusement, Poughkeepsie, N. Y., spent several weeks relaxing here, but left this week for home. Al and Willie Blatt got together for reminiscing session. . . . Seen at the Fights at the Beach Auditorium were Jackie Cohen of Cleveland, O. . . . Donald Koren, son of the well known and beloved Lou Koren, owner of the King Cole Hotel, and also a large phono route in Chicago, also seen at fights. . . . Others at ring-side were Ted Bush, Willie Levey, Willie Blatt, Georgie Holzman and Herman Gross. . . . Dave Engel, one of the real old-timers, visiting around. He recalled how he sold Dave Robbins of Brooklyn, his first route of Exhibit "Electric Shockers" (Robbins, out of the biz for years, now in the financing biz).

Over 400 Attend Coven Wurlitzer Show

BEN COVEN

CHICAGO — Totaling up the people who had called around to see the new Wurlitzer 1650, Ben Coven reported this past week that the total passed the 400 mark.

He also said, "This was one of the busiest weeks we've ever enjoyed."

"The operators came from all over our territory to see the new Wurlitzers and," he continued, "in almost every case the opinions were extremely laudatory."

"We will also admit," he said, "that we did a marvelous business during this week and believe that we shall be busy for weeks to come supplying the equipment which we sold at this past week's showing."

In addition to operators, their mechanics and families who attended the showing, all the noted record firms sent representatives as well as their recording artists who were in this area.

THE "20 YEAR CLUB" "a great idea"

Herb Jones

Vice-President, Bally Mfg Co.

A compilation of the members of the coin machine industry who have joined the "20 Year Club" was published in the January 24 issue of *The Cash Box*.

This was a long and imposing list of names of men and women who have been associated with the coin machine industry for 20 years or more.

After we went to press on the January 24 issue, a large number of additional applications have reached this office. We shall publish these names in a forthcoming issue.

Outside of the fact that you've been connected with the industry for 20 years or more, there are no other qualifications. The idea is strictly sentimental—and will serve to bring together those people who, in a great many instances, have been pioneers in this modern age of our industry.

SO — YOU TWENTY YEARS — WHO HAVEN'T AS YET APPLIED, MAIL IN THE COUPON BELOW.

THRU THE COIN CHUTE CALIFORNIA CLIPPINGS LOS ANGELES

Music operators galore literally crushed the attendance roster over at the Paul Laymon Company this past week, with the new Wurlitzer Model 1650 phonograph playing host. The new phonograph, which will play 48 selections in 45 rpm speed, was generally conceded to be quite a marvel with operators agreeing that the phono will meet a great many of their demands. Showing of the phono had the entire force busy, with Mr. and Mrs. Paul Laymon, Ed Wilkes, Charley Daniels, Jimmy Wilkens and even Blaze on tap for the event. . . . The firm continues to keep quite busy too via Bally's phenomenal "Beach Club." Judging from the comment we've heard about Beach Club, we'd say most ops agree that it is one of the most successful games the Bally people have ever produced. . . . Doc Dockins made the trek in from Santa Ana this past week. . . . Summer season really upon us what with the Pacific Coast League baseball season off and running. Not being one to fool around with "kid stuff," we'll tab the Giants and Cleveland in the majors. . . . The fantastic growth of Los Angeles and environs is thoroughly documented by the California State Chamber of Commerce in a brochure published this week. Of interest to operators of games and music are facts and figures showing the potential that still exists—all of which means more locations. . . . Lyn Brown, Exhibit Supply a jack of all trades it seems. Didn't think that Lyn knew from beans about a coin chute mechanism, but he showed us how he repaired one in almost no time at all. Lyn is all excited about the firm's new boat which is due out this way mighty soon. 'Twould be a natural for those resort and kiddie park locations. . . . Local ops complaining re the high price of Spanish language records, and especially so when they can't be had in 45 rpm speed. Claim there isn't any reason why Spanish language disks should be pegged at the old \$1.05 retail list. . . . Charlie Cahoon in from Long Beach to view the new Wurlitzer phono over at the Laymon's. . . . ditto Joe Boll, from Twenty-Nine Palms. . . . Al Silberman, Badger Sales Co. just shrugged at the thought of the Giants copping the National League pennant. "It's the Dodgers in a breeze" sez Al. . . . Al continues emphasizing that he's gonna take a coupla of pounds off around the middle, without the use of bar-bells, vitamins or lack of starch. . . . Jack Lewis, California Music Company, just raving about the way Dinah Shore's latest recording, "Sweet Thing" has taken hold. And major domo Sammy Ricklin agrees, "it's the best thing Dinah's cut in a long while." . . .

Interesting discussion among music ops this past week over at Bill Leuenhagen's Record Bar re the McCarran Bill (S. 1106) avidly points up the interest and awareness of the trade to this latest attempt to force music operators to pay royalties for copyrighted music playing in their machines. There is no question but that music operators are cognizant of the situation. We can't repeat ourselves often enough—this piece of legislature will beyond a shadow of a doubt force the automatic music business to virtually close down tighter than a drum. Music operators throughout Southern California are urged to write their Senators and Congressman and make known their opinions concerning this bill. Don't delay—do it now! The concerted effort of all music operators everywhere is vitally needed to see that this latest bill, which amounts to confiscatory taxation, goes the way of previously introduced legislation, namely out the window.

Jack Dolan, Dan Stewart Co., off on a quick road trip to San Diego and then back at the office to handle the ever increasing demand for Rock-Ola "Fireball" phonos. Jack's warm personality and ever-ready grin a welcome sight to operators along Pico. . . . "We're still doing a whale of a job with those excellent Chicago Coin bowlers too" sez Jack. . . . Phil Robinson, ChiCoin regional rep out this way just returned from a week-end jaunt to Vegas with the wife, doubly happy via the expected arrival shortly of the firms "Double-Score Bowler" and also with the lack of expense incurred at the Vegas trip. Managed to "make expenses" sez Phil. . . . Charlie Koski in town this past week. . . . ditto Walt Henninger. . . . Bill Happel, prexy of Badger Sales, reports superb reception to Genco's "Golden Nugget." . . . Ops like the fast action and the extra balls feature of this upright game. . . . Bill, by the way notices the calendar more frequently these days, what with his planned European jaunt not too far off. . . . Jack Simon, Simon Sales Co. exceptionally busy this past week with a sudden demand for many of the reconditioned games and arcade pieces the firm carries, while cohort Abe Chapman continues the wonderful work he's been doing in behalf of the Mt. Sinai Hospital. Understand that Abe is really devoting a lot of time and effort to the latter cause. . . . Those "gold-dust" twins, Mary and Kay Solle all excited 'n such about their trip to Las Vegas as guests of orchestra leader Russ Morgan. The gals can't hardly hear it any more, but the whacky rendition of "Yes Sir, That's May Baby" is really proving to be a money maker for all music ops. And you can credit Mrs. Solle's lovable daughters for having picked this one right smack on the nose. . . . Clyde Demlinger in town again this week from Balboa. . . . and Bill Gordon too, from Brawley. . . . Pete Ley, formerly with the Nickabob Company joins the Dan Stewart firm this week. . . . Al Anderson of Schafer in town on a combined business and pleasure trip along with the wife. . . . Intense interest concerning the McCarran Bill has somewhat taken the focus off of the rapid change to dime play in many Southern California communities. . . . The tremendous task of completely revamping and redecorating the Minthorne Music Company's offices and show-rooms continues with the entire staff anxiously awaiting the day the carpenters, painters and what-have-you have moved out. Hank Tronick and George Mahlum haven't taken to wearing ear plugs yet, but several more weeks of those buzz saws and we'll wager they'll be about ready. . . . The Bob Smiths, Automatic Enterprises, report a steady volume of business via their automatic merchandising products. Reports of the growth of the drink machine business continue to reach us. . . . Cecil Ellison made the rounds along Pico this past week, along with Kenny Wolf and E. E. Peterson from San Diego. . . .

The Woman's Viewpoint of the Coin Machine Industry

LOTTIE BERMAN

INDIANAPOLIS, IND.—“I do not consider myself an exceptional woman in any regard, and I do not believe that a woman has to be exceptional in any special way, to be successful in the coin machines industry,” so spoke Mrs. Lottie Berman of Sicking, Inc., this city.

Four years ago Mrs. Berman knew very little of this industry. She did know, of course, that her husband, Simon Berman, was engaged in this field as a distributor, in business with Sicking, Inc. of Cincinnati, O.

When Simon Berman suddenly passed away, four years ago, Mrs. Berman found herself with a family on her hands and a business of which she knew very little indeed.

But, courageously, Mrs. Berman stepped into the business. Took over where her late husband left off. And today is considered one of the more successful, as well as one of the most outstanding, women in the industry.

She says, “I just simply love this business. I love to deal with the people in this industry. They are respectful. They are kind. Their word is their bond.”

“They are willing and even eager to take advice and they, in turn, give good advice. They work closely with a woman. In fact, I personally believe that they trust a woman even more than a man.”

She also stated, “I look at most of the operators with whom I deal just as I would look upon my own sons. I try my best to help them with every ounce of energy and with all the ability I have. I want them to be successful.”

Mrs. Lottie Berman is a grandmother of a seven year old girl and a six year old boy. She has two sons of her own. One now 36 years of age and the other 15 years of age in high school.

She maintains one of the most outstanding and beautiful homes in the Indianapolis area. She is well known for her charitable efforts, for her civic

work, and for her pride in her community. She has done much to benefit the peoples of her community.

In the four years since the passing of her husband, when she stepped into his place in her present distributing headquarters, she has won acclaim and commendation from manufacturers and leaders thruout the entire industry, and, especially, from the people with whom she constantly deals.

She makes light of this by saying, “Any woman who likes people, who likes to accomplish things, who really wants to work, who feels she has some executive ability and who can think for herself, is certain to prove herself successful in this industry.”

“The people in this field will treat her with the very greatest of respect. They will help her with all her problems.”

“She will find that a woman gets more respect from location owners. That locations will work closely with her and will help her in every regard.”

“I don't believe that it is anything sensational for a woman to be successful in this business. Our industry has continued to progress and to develop. It has won much better understanding with every passing year. It is not at all surprising to me to see women becoming successful in the coin machines industry in greater numbers every year.”

“Any woman,” Mrs. Berman emphatically states, “who definitely wants to be successful, who likes people, who likes the thrill of seeing something grow from her own hard work and intelligent efforts, any such woman, even a grandmother like myself,” she says, “can be successful in the coin machines business.”

With a woman's sentimentality Mrs. Berman called attention to a little incident that had just happened to her the day this reporter interviewed her for The Cash Box.

She said, “Just a few minutes ago one of my boys (by the way all of her customers are “her boys” to Mrs. Berman) came into the store,” she stated.

“He's one of the handsomest, cleanest cut looking chaps. A boy I wish were my own son,” she stated, “to insist that I come outside the store with him to see something.”

“I was so busy,” Mrs. Berman continues, “but he literally dragged me out to the front of the store.”

“And there,” she says, “was a beautiful brand new convertible parked at the curb. His eyes just shined. He was so proud of it.”

“He said to me,” Mrs. Berman softly stated, “that this was his very first brand new car. The convertible he always dreamed he would perhaps own some day.”

“And,” Mrs. Berman reports he told her, “it was all made possible because I followed your good advice, Mrs. Berman, and I've been successful in my business because of your advice and encouragement.”

In conclusion, Mrs. Berman asks, “Could any woman, in any business, anywhere in the world, ask for more than that?”

Wholesalers report a pickup in sales, particularly in kiddie rides. Kiddie ride manufacturers in this area going full blast, they report, with demand that equipment be rushed immediately. Seems that outdoor locations available for spring and summer being sold now, and operators working to get their equipment spotted before their competitors. . . . Operators of games and music also starting to contact wholesalers along coinrow for machines to set in shore and resort locations. . . . Those jobbers handling arcade equipment busier than any time in their history, with the problem of being able to supply the machines requested, as well as getting them to their customers on time.

Artie Daddis has been busy covering the AMI distribs thruout the south and east, presenting "Merit Award" plaques to service department personnel. The award presented to Jackie Prigoff, manager of Runyon's service department, is on the wall over the service and parts window. Barney (Shugy) Sugerman, head man at Runyon's very proud of the award, stating "It has been the determined policy of our firm to extend the utmost in service to our operator friends at all times. . . . Nat Cohn, Conat Sales and Riteway Sales, confined to the limits of his office here, answering long distance phone calls from his distribs, whom, he states, keep the orders flowing in for his airplane and boat kiddie rides. . . . Dan Gould, formerly of Chicago, and now conducting his business in Los Angeles, a visitor on the street. Dan heads for Miami each for a vacation, then back to California. . . . Al Simon, Albert Simon, Inc., still asking ChiCoin for more and faster deliveries of its new shuffle game "Double Score Bowler." Al also getting ready to break with a surprise for the ops.

Two of the happiest men on coinrow are Joe Young and Abe Lipsky of Young Distributing. After a full week of showing the new Wurlitzer 1600 and 1650 phonos to local music ops, Young reports great enthusiasm for the 48 selection 45 rpm phono. "Now to get sufficient deliveries in rapid order" smiles Joe. "I might even lose my floor sample" continued Joe. "One of the big New Jersey operators keeps insisting that I let him take the machine immediately." . . . Hymie Rosenberg, National Kiddie Rides, Inc., new kiddie ride distrib firm on coinrow, leaves for an extended road trip and will be gone for several weeks. Charlie Katz remains at the office. . . . Jimmie Cogi and "Gil" Gilbert, union officials for the games biz, busy seeing the wholesalers for their forthcoming dinner and journal. . . . Max Hurvich, Birmingham Vending Co., Birmingham, Ala., leaving for a trip to Europe and Israel on April 8. Max will be in New York the day before. . . . Mike Munves, the "Arcade King," keeps getting busier and busier with each succeeding day, if that's possible. In addition to the usual run of arcade machines being readied for shipment, Mike has the Exhibit Supply line of kiddie rides and guns, greatly in demand right now. . . . Meyer Parkoff and Harry Rosen, Atlantic New York Corp., very proud of the installation of the new Seeburg 200 record, non-coin operated "Library" at Grossinger's famous vacation spot. The unit being used at present is at the ice skating rink, and in the summer will be set at the pool. Another recent installation was made at one of the foremost arcades located in greater New York.

Al Schlesinger, head of Square Amusement Co., Poughkeepsie, N. Y., finishes up his several weeks vacation at Miami Beach, Fla., and heads for home. THRU THE COIN CHUTE CHICAGO CHATTER

Ops throughout Chicagoland very much upset to learn that Senator Everett M. Dirksen (Rep., Ill.) introduced a bill into the Senate (which is now also before the Senate's Judiciary Committee) attempting to amend the "Copyright Act of 1909" which would simply put juke box ops up against one of the roughest and toughest situations they've ever faced. The bill is just one paragraph. And therein lies the danger. For this Dirksen Bill, like the McCarran Bill, does not, in any fashion whatsoever, say HOW MUCH and HOW MANY TIMES PER DAY, WEEK or MONTH, the nation's juke box ops will have to pay royalties (on top of the royalties they are already paying everytime they buy a record) to ASCAP. Chicago's and all of Illinois' juke box owners preparing sincere appeal to Senator Dirksen to withdraw his bill. . . . It's like one noted phono op says, "Looks to me like ASCAP wants to have a substitute on the bench and not just depend on their star player." . . . Mike Dale of Commercial Phono Service all upset over Dirksen Bill. Urges ops to write the Senator.

Great story about pinball investigations by newspapers in the "Graphic" (pocket size magazine of Rockford, Ill.) proves what can happen when reporters out on a crusade. . . . Frank Witecki, secty. of Aut. Equip't. & Coin Machine Owners Assn., Inc., of Indiana, advised Whiting, Ind., being tested on 10c play. Town has about 75 juke boxes. . . . In the meantime one progressive op, on his own, is testing dime phono play on a spot in Indiana Harbor. . . . What can foreign disks do to help boost take? Well, Ray Cunliffe sold a spot to Art Balasquez. Art knowing the language and using the proper disks has doubled the intake. And this is happening everywhere. . . . In this area Polish, Italian and Spanish records lead. Following these are: German, Swedish, Norwegian, Jewish, and some others. . . . Greater selectivity of modern phonos makes possible programming of foreign disks for greater income. . . . Ben Coven's week long showing of new Wurlitzer attracted about 400 people including the top disk stars who were in Chi. . . . Jimmy Martin advises that Sam Yaras now selling for him in the southwest. Jimmy all enthused over his new sales plan for ciggy machines.

Jack Nelson with a great big wide smile watching 'em load a complete trailer of Bally kiddie rides for Russ-Con Co., Montreal. Patty Conklin and Dave Russell going great on Bally's "Champion" horse and "Space Ship." . . . Jimmy Savarese of Mishawauka, Ind., in town this past week. Hollering for more. . . . United's Joe (Hot Coils) Kuss not so hot last week. Was taken over the coals in 'gin.' . . . Joe Fillitti getting all worked up about forthcoming association golf tournament this July and wants the whole world to attend. . . . Louis Arpaia looking over more phonos. . . . Busiest telephone guy remains Bally's Bill O'Donnel. And keeps himself so calm through it all. . . . Bill DeSelm clicking with orders for "Cabanna." And everything else. And thrilled to have Lucy (that's Mrs.) DeSelm back from the hospital. . . . Thanks to Herb Jones for constructive criticism. . . . Satty mornings made very interesting by J. Raymond Bacon of Rock-Ola. . . . Sam Stern all excited over the way Williams' "DeLuxe Baseball" clicked. Just on showings to distribs who called around. Orders already taken stepped up first production run for new high record.

Ralph Sheffield returns from long trip through South with some interesting observations for Sam Lewis and Avron Gensburg of Genco. . . . Thanks to Ed Levin of ChiCoin for nice story he told us about what happened in Houston re: Cash Box leadership. . . . Is Genco building a real arcade machine which will also fit into individual locations? . . . While Nate sunning himself in sunny Miami Alvin Gottlieb trying to take care of all the phone calls for "Quintette." Asks Alvin, "Know anyone who can spare some 'Quintettes'?" . . . Big open house at Jackie Rosenfeld's in St. Loo on April 11 and 12 to celebrate Rock-Ola distributorship. . . . Hear that Joe Westerhaus thrilled with Rock-Ola phonos, according to Kurt Kluever and Jim McNulty. . . . Thanks Howard Ellis of Nebraska's Music Guild for those letters complimenting The Cash Box. . . . After big meeting of entire council of Balaban & Katz Theatre mgrs. and execs, decided to feature Bally's "Champion" horses in these very noted showspots. About 20 of the theatres will place them immediately. . . . Len Micon just as busy as ever even with Al Stern back on the job and trying to satisfy demand for all products the firm handle.

Roy Monroe in hospital visit in Cleveland. Now on very strict diet. . . . Warmer weather gets kiddie ride ops all enthusiastic. See big season ahead. . . . The way R. F. Jones says it, "There aren't any poor spots. There's equipment for every type location." . . . A. R. Sansone, principal of the Carver School (Board of Education) sends Ray Cunliffe beautiful letter of thanks for donating juke box to the school.

Lex Vincent, Bally's barber, back on the job just in time to get some of the boys who were ready to join the House of David out of the bushes. . . . Music ops discussing whether 78 rpm records are on their way out. (What do you think?) . . . Clem Weinand of Menasha, Wis., in town visiting with Jack Nelson over at Bally. Clem one of the real old time ops. . . . Kansas Music Assn. holds statewide meet at the Lamar Hotel, Salina, Kans., April 19. . . . Don Hooker flies to West Coast to see his dad (who also used to be Bally employee) after operation. On seeing Don and talking with him, his dad just pepped right up and now feels fine. . . . Harold Lieberman holding open house and Bally Service School at same time looks for biggest crowd of ops to attend his Minneapolis offices.

Isabel wouldn't tell Johnny Oomens and bowled with a badly swollen ankle received in a home accident. Result, after doctor's visit, Isabel limping about. But still came through with a 318 series. . . . Jerry Schuman showed up just in time for the third game, after Gillette team won 2. Gillette lost the third. . . . Norbert Delort of Decca bowled a high for the men: 535. . . . Ellen Brown of Star Music came in the high for the gals: 395. . . . Johnny Oomens had a 506. . . . Julius Mohill bowled a 470. . . . Decca three over Star. . . . Oomens 2 over Atlas. . . . Gillette took two over Melody. . . . Galgano 2 over B & B. . . . ABC No. 1 took 2 from Columbia. . . . Be sure to attend (Monday, 9 P.M.) at the Fullerton Bowl. It's gonna be pahlenty exciting. Scoring's got to be heavy—season's drawing to its end.

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
